HOME MISSION FUND—WESTERN SECTION.

The following circular has been sent to all the ministers and missionaries in the Western Section of the Church:—

My DEAR SIR,—Permit me briefly to remind you of the pressing demands of the Home Mission Fund upon the increased liberality of the Church, in order that the committee may be able, at the close of the financial year (1895-6), to pay in full the claims of the missionaries under their charge.

In April last, notwithstanding the contributions of the British Churches, the committee had a deficit of about \$20,000. But for the special appeals made to the wealthier congregations and members (which were generously responded to), the salaries of our missionaries would have suffered to that extent. That the committee were able to discharge their obligations, was a cause of thankfulness, but the present year began with the small balance of \$600 on hand.

The fact that there is necessity for repeated calls upon the more generous givers in the Church is due to the fact that notwithstanding an increased membership, less is being given to the Home Mission Fund than in former years. And should the revenue of the present year, 1895-6, be only that of the past, a large deficit is inevitable.

It is estimated that the sum of \$79,000 is required to meet the obligations of the committee for the year; about half of this amount has to be borrowed in October, to pay the claims for the past summer's work, the balance in April next. The committee have apportioned the several amounts to the different Presbyteries, taking into account their membership and ability, but leaving it to the Presbyteries to allocate to the congregations and mission stations as they deem best. May I earnestly ask you to take the necessary steps in your congregation to raise the amount that may be allocated, and forward it as soon as possible to the Rev. Dr. Reid? Congregational treasurers who forward their contributions early help to reduce the amount of interest paid on borrowed money.

As some of the smaller Presbyteries and weaker congregations may not be able to give the sums asked of them, the stronger ones should (as many have done formerly) increase their contributions beyond the sums allocated them.
