ATTENDANCE AT THE LAW SCHOOL.

This School was established on its present basis by the Law Society of Upper Canada in 1889, under the provisions of rules passed by the Society in the exercise of its statutory powers. It is conducted under the immediate supervision of the Legal Education Committee of the Society, subject to the control of the Benchers of the Society in Convocation assembled.

Its purpose is to secure as far as possible the possession of a thorough legal education by all those who enter upon the practice of the legal profession in the Province. To this end, with certain exceptions in the cases of students who had begun their studies prior to its establishment, attendance at the School, in some cases during two, and in others during three terms or sessions, is made compulsory upon all who desire to be admitted to the practice of the Law.

The course in the school is a three years' course. The term or session commences on the fourth Monday in September, and ends on the first Monday in May, with a vacation commencing on the Saturday before Christmas and ending on the Saturday after New Year's day.

Admission to the Law Society is ordinarily a condition precedent to attendance at the Law School. Every Student-at-Law and Articled Clerk before being allowed to enter the School must present to the Principal a certificate of the Secretary of Law Society, showing that he has been duly admitted upon the books of the Society, and has paid the prescribed fee for the term.

Students, however, residing elsewhere, and desirous of attending the lectures of the School, but not of qualifying themselves to practise in Ontario, are allowed, upon payment of usual fee, to attend the lectures without admission to the Law Society.

The students and clerks who are exempt from attendance at the Law School are the following:

1. All students and clerks attending in a Barrister's chambers, or serving under articles elsewhere than in Toronto, and who were admitted prior to
