A Young Woman

With a pretty foot has a right to complain
of a shoe that hides its beauty

"HAGAR" SHOES

Are never guilty of this offence.
Their shapes add to the grace
of a pretty foot, and will improve
the looks of one not so well
favoured

Waterman's Ideal Fountain Pens

Reasons why
it is to be
preferred to all others

It is always ready, and writes continuously without shaking.
It writes as freely as a dip pen, and feeds the ink more regularly.
Its free flow of ink is secured without risk of overflowing or blotting.
The flow is automatic, responding fully to the act of writing, and the flow ceases when the writing stops.

PRICES, FROM \$2.50 TO \$6.00 EACH, POSTPAID
