Medical men can safely recommend

**LIPTON'S  
TEA**

For use by their patients. It is absolutely unadulterated and uncolored, as  
so many other teas are.

Telephone 1029. **TO BE HAD OF ALL FIRST-CLASS GROCERS.**

**ARSENIC is GOOD.**

**ARSENIC WITH GOLD is BETTER.**

**ARSENAURO is BEST.**

Arsenauro is not a mixture.  
It is a definite chemical  
product, being a double bromide  
of gold and arsenic.
