TELEGRAPHY.

YOUNG MEN and LADIES desiring to qualify for the numerous situations which will be offered in the Spring on the several Telegraph Lines, are invited to attend at the Dominion Telegraph Institute, No. 75, St. James Street. The mode of instruction followed in this Institute has received the approval of the highest authorities in the country, and the best proof we can offer is that all the new situations filled within the last two or three years have been supplied by pupils from this Institute. As to the success of the method followed here, read the following testimony:

"COOKSHIRE, 21st December, 1872.

"To Mr. MORGAN, Proprietor of the Dominion Telegraph Institute:

Sir.—I hereby certify that only eight weeks' study and practice in the DOMINION TELEGRAPH INSTITUTE has enabled me to receive messages at the rate of 23 words a minute, and that I consider the mode of instruction followed as excellent.

"Yours, etc.,

"S. J. Osgood."

The regular course is three months; but, as will be seen by the above testimony, intelligent persons can qualify in much less time. Proficient pupils have the advantage of practising on a regular line, and of being placed on a large circuit.

The terms for the course is THIRTY DOLLARS, the use of the instruments included. All the accessories of the school are new and complete.

CERTIFICATE FROM MR. ALFRED KNUCKLE, American House, St. Joseph Street.

MONTREAL, March 7th, 1872.

DEAR SIR.—I was afflicted during the beginning of this winter with a most severe COLD, attended with incessant COUGHING and DIFFICULTY OF BREATHING, which reduced me so low that many persons supposed I could never recover. I tried a great many things, which were given me both by my doctors and friends; but did not receive any benefit from anything until I commenced using your "HOARHOOND AND CHERRY BALSAM," which seemed to give me relief immediately. I continued using it until I was completely cured, and now I believe I am as well as I ever was in my life. I would gladly recommend it to any person suffering from a similar complaint. Almost anybody who knows me can certify to the above. ALFRED KNUCKLE. Mr. RICHMOND SPENCER, Chemist, corner of McGill and Notre Dame Streets.
