

THE NEW YEAR'S DEBUT.

IMPORTANT TO MOTHERS.

GEHRIG BROS. ELECTRO-MOTOR NECKLACE FOR CHILDREN TEETHING.

In introducing these Necklaces in this country, I do so with the greatest confidence in their value, as they have been extensively used in England and on the Continent with the most successful results. It is not claimed for them that they will do away with all pain during dentition, but that they will materially lessen the pain and exert a soothing influence on the child. Doubtless this is the most critical and trying period of infantile life: full of danger to the child, and of intense anxiety to the mother. Dentition usually commences at the fifth month, and proceeds gradually during the first three or four years of childhood. From the commencement to the close of this period, the whole infant organization is undergoing a vast change, and many serious maladies arise during its progress: the salivary glands are brought into play, as is indicated by the increased flow of saliva. The infant endeavours to draw attention to its sufferings, and puts any object within its reach into its mouth. If the child be healthy and strong, teething usually proceeds favourably. In weak and delicate children, on the other hand, the tooth penetrates the gum with difficulty, the infant becomes feverish and restless, and the most serious consequences may ensue. There is intense pain and swelling of the gums, the digestive organs become deranged, and the bowels disordered, inflammation of the brain, accompanied by convulsions, follows, terminating but too frequently in a painful death.

Mothers, before allowing their little ones to suffer, should purchase, without delay, one of these valued Necklaces, which can be obtained of TAY & GOVERNOR, 157 St. James Street, Montreal, Price, 75 cents. And wholesale, of SCANLAN, who is sole agent for the Dominion of Canada, 45 St. Joseph Street, Montreal. On receipt of 50 cents, he will forward one to any address throughout the Dominion.

When the child shows the first symptoms of teething, one of the Necklaces is simply to be tied around its neck, and to be worn day and night.

83 WATCH! 83 WATCH!

THE GREAT EUROPEAN Eureka Aluminum Gold Watch Co.

HAVE APPOINTED
J. F. WILLIAMS & CO., JEWELLERS,
561 Broadway, New York,
SOLE AGENT FOR THE U. S.

And have authorized them to sell their great EUREKA ALUMINUM GOLD WATCHES for Three Dollars, and to warrant each and every one to keep correct time for one year. This Watch we guarantee to be the best and cheapest time-keeper that is now in use in any part of the globe. The works are in double cases, Ladies' and Gents' size, and are beautifully chased. The cases are made of the metal now so widely known in Europe as Aluminum Gold. It has the exact colour of Gold, which it always retains; it will stand the test of the strongest acids; no one can tell it from Gold only by weight, the Aluminum Gold being one-fourth lighter. The works are all made by machinery, the same as the well-known American Watch. We pack the Watch safely in a small box, and send it by mail to any part of the United States on receipt of \$3.50, fifty cents for packing and postage. A key is sent free with each Watch. Money should be sent by Post-office Money Order, or in a Registered Letter. Address all orders and communications to

BIVALVULAR.

It was a maxim of Euripides either to keep silence or to speak something better than silence. Whether this maxim is worthy of imitation or not must be decided by a discriminating public. There is, however, one important truth which demands a word, and that is, there is no one article of food more universally palatable than the oyster, and yet, even in the present day, very few really know what a good oyster is, or where the best can be obtained. The best judges affirm that in no other place in the city can as good an article be found, as at

THE AMERICAN OYSTER COMPANY'S DEPOT,
No. 17, PLACE D'ARMES.

In view of this indisputable fact J. B. BUSS, (who has been connected with the business for the last 15 years) is determined that every body shall understand where the luxury may be found. To every lover of the BIVALVE he would say

BUY NONE BUT J. B. BUSS' OYSTERS.

They are put up in the neatest possible manner, and delivered to any part of the city, and furnished either in cans, kegs, bulk, or in the shell. By leaving your orders at 17, Place d'Armes you will be sure to get the best oysters in the city.
