*The Ambassador of the United States of America
to the Secretary of State for External Affairs of Canada*

Ottawa, October 29, 1984

No. 407

Excellency:

I have the honor to refer to communications between representatives of the Employment and Immigration Ministry of Canada and the Employment and Training Administration of the United States Department of Labor on matters concerning implementation of the Agreement between the Government of the United States of America and the Government of Canada on unemployment insurance benefits of March 12, 1942, as amended. These communications have related to an amendment to the above-mentioned Agreement judged mutually desirable to conform its coverage for the United States to that of United States law. In order to make the necessary changes, I have the honor to propose that Article I(A) (II) of the Agreement be amended to read as follows:

“State” means any state of the United States of America, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, and any other United States territory agreed by the United States and Canada by Exchange of notes.

If this amendment is acceptable to your Government, the Government of the United States of America will regard this note, together with your reply note concurring therein, as constituting an agreement between the two governments, in force as of the date of your reply note.

Accept, Excellency, the renewed assurances of my highest consideration.

PAUL H. ROBINSON
Ambassador

The Right Honorable Joe Clark,
Secretary of State for External Affairs,
Ottawa.
