6) <u>Software Automation</u>

    1 -   Relational Database Storage and Retrieval
    2 -   Computer Aided Education and Instruction (CAE/CAI)
    3 -   Computer Aided Design and Manufacturing
    4 -   Computer Integrated Manufacturing
    5 -   Computer Aided Translation
    6 -   Computer Aided Animation
    7 -   Electronic Publishing
  99 -   Other

7) <u>Human-Machine Interface</u>

    1 -   Intelligent Input/Output
    2 -   Speech Recognition
    3 -   Voice Recognition
    4 -   Visual Pattern Recognition
    5 -   Visual Display and Printing
    6 -   High Definition Television
    7 -   Flat Panel Display
    8 -   Three Dimensional Display
    9 -   Laser Printing
  10 -   Image and Sound Synthesis
  99 -   Other

8) <u>Components, Devices and Materials</u>

    1 -   Microelectronics
    2 -   Optical and Optoelectronic Devices
    3 -   Sensors and Transducers
  99 -   Other
