

ment are in terms of raw value, net weight (the raw value of any amount of sugar means its equivalent in terms of raw sugar testing 96 degrees by the polariscope);

(12) "sugar" means sugar in any of its recognized commercial forms derived from sugar cane or sugar beet, including edible and fancy molasses, syrups and any other form of liquid sugar used for human consumption, but

(a) "sugar" as defined above shall not include final molasses or low grade types of non-centrifugal sugar produced by primitive methods nor, for the purposes of establishing the level of exports under this Agreement, sugar destined for uses other than human consumption as food. The Council shall determine the conditions under which sugar shall be considered to be destined for uses other than human consumption as food;

(b) if the Council resolves that the increased use of sugar mixtures becomes a threat to the objectives of this Agreement, these mixtures shall be deemed to be sugar in respect of their sugar content. The increase in the quantity of sugar mixtures exported over the quantity exported before the entry into force of this Agreement shall, in respect of its sugar content, be charged against the quota in effect or export entitlement of the exporting Member concerned;

(13) "free market" means the total of net imports of the world market, except those resulting from the operation of the special arrangements referred to in chapter IX of this Agreement;

(14) "net imports" means total imports of sugar after deducting total exports of sugar;

(15) "net exports" means total exports of sugar (excluding sugar supplied as stores for ships victualling at domestic ports) after deducting total imports of sugar;

(16) "basic export tonnage" means the quantity established pursuant to article 34;

(17) "global quota" means the quantity specified in article 40, paragraph 2, as may be adjusted in accordance with the provisions of article 44;

(18) "quota in effect" means the quantity of sugar which a Member may export to the free market in excess of its total imports from that market during the relevant quota year, as may be established and adjusted in accordance with this Agreement;

(19) "cent" or "cents" means United States cent or cents;

(20) "daily price" means the price calculated in accordance with the provisions of article 61, paragraph 1;

(21) "prevailing price" on any market day is the average of the daily price over the immediately preceding period of 15 consecutive market days including that market day; the position of the prevailing price in relation to any specific price level is as defined in article 61, paragraph 2;
