Youth Exchanges

Young Workers Exchange

---

Description of project / Description du projet

The program enables young graduates in industry commerce, science and technology to gain valuable international experience by working in the host country for a period of up to twelve months. The program started on a pilot basis in 1985 and has received the support of private industry, Canadian universities and of the Canadian and German governments.

---

Objectives / Objectifs

The program aims to provide young graduates with international employment experience related to their studies or profession.
