

Mr. Clark also announced the renewal of the terms of Robert McGinnis and Gerald Helleiner for another four-year term and Francis Keppel for a two-year period.

Mr. McGinnis is Dean of the Faculty of Agriculture at the University of Manitoba. Mr. Helleiner is a professor in the Department of Economics at the University of Toronto and Mr. Keppel is Senior Lecturer on Education at Harvard University.

IDRC is a public corporation created by the Parliament of Canada to stimulate and support scientific research by developing countries for their own benefit. Since its creation in 1970, IDRC has funded more than 3900 projects in more than 100 countries. IDRC policies are set by a 21-member international Board of Governors, 11 of which are Canadian.
