

Division

December 20, there are 36 sitting days before Christmas. Two additional days will be gained if we continue over into the first part of Christmas week. Of this total, 16 days will be required to complete the business of supply. The maximum time provided for the budget debate is 6 days. Time must be made available for consideration by the house of the report of the special committee on procedure set up on September 24.

It is impossible to state conclusively all the bills that will require passage before the end of 1968. However, if the program for the January to July, 1969, part of this session is not to be badly jeopardized, before the end of 1968 we should deal with the following items: No. 2 on today's order paper, the budget resolutions and bills relating to changes in the customs tariff and anti-dumping; No. 4 on today's order paper, Bill No. C-120 relating to the official languages act; No. 6 on today's order paper, Bill No. C-110 relating to the Farm Credit Act; No. 7 on today's order paper, Bill No. C-112 relating to the Farm Machinery Syndicates Credit Act; No. 13 on today's order paper, Bill No. C-102 relating to the Patent Act, the Trade Marks Act and the Food and Drugs Act; and No. 24 on today's order paper relating to C.N.R. financing.

It would be our hope, Mr. Speaker, that we could call the resolution stage only of item No. 30 on the order paper with respect to the freshwater fisheries so that the terms of the proposed marketing scheme would be available to provincial governments and other interested persons.

In addition, Mr. Speaker, the Minister of Justice will be bringing forward the bill to amend the Criminal Code, and we should like to make as much progress on that item as possible before the end of the year.

FARM CREDIT ACT**AMENDMENT RESPECTING ELIGIBLE CLASSES, AMOUNT OF CAPITAL, INTEREST RATES, ETC.**

The house resumed, from Wednesday, October 30, consideration of the motion of Mr. Olson for the third reading of Bill No. C-110, to amend the Farm Credit Act, and the amendment (page 2238) thereto of Mr. Gleave.

Mr. Speaker: Is the house ready for the question?

Some hon. Members: Question.

[Mr. Macdonald (Rosedale).]

The house divided on the amendment (Mr. Gleave) which was negatived on the following division:
