Sir.

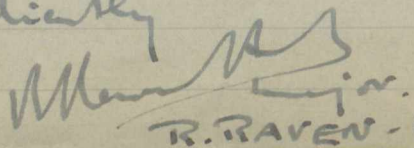

I am proposing to do a canoe-cruise in Canada this coming Summer, in the Province of Quebec, for the purpose of obtaining material for articles & probably for a book or part of a book on the lines of my "Canoe Excursion" (see leaflet enclosed) & others.

It has been suggested to me that I might find a student interested in joining me. No previous canoeing experience is necessary (I use the collapsible canoe with the double paddle so that experience in Canadian canoes is useless); but on the other hand a good knowledge of your wild life is indispensable (Trees, birds, beasts) and some experience of fishing & cooking. The area I think probable is that of the Manuan & Kempt lakes; but one of ~~the~~ ^{my} reasons for wishing to get into touch with someone now is so that he could investigate for me more quickly than I can by mail. Duration 2 weeks, date mid-June.

Faculty of no importance: psychology mildly preferred. Expenses shared, I providing boat, tent, sleeping bags, he the cooking & fishing gear: I might however consider paying all expenses in special circumstances.

Trusting that you will be so good as to pass on this letter & enclosed leaflet to the suitable quarter (? Students' Union), I remain, Sir,

yours obediently

R. RAVEN-HART
