E.B. Eddy Company, Ltd.,  
Hall, P.Q.

Dear Mr. Shirreff:-

I expected to be in Ottawa on Wednesday, but my visit has been delayed and I do not therefore expect to arrive before Saturday. I should like to take the opportunity of discussing the Eddy Bequest, and the foundation of our new Chair of Industrial Chemistry, and I would be glad to call on you some time on Saturday afternoon, if you would let me know a convenient hour.

Yours faithfully,

Principal.
