Acting Principal,
McGill University.

Dear Sir,

Re Vaccination.

All the presidents of the first and second years, with the exception of one, attended a meeting last night at which I presented to them the problem of complying with the Provincial law with respect to vaccination.

They assured me that they would co-operate in following this matter up and lists are to-day being furnished and further arrangements are under way in order to have this requirement fulfilled.

I shall be pleased to report further progress at a later date.

Yours faithfully,

ASL:C.
