

4 P.M. so that the hours from 4 - 7 P.M. are available for voluntary exercise and competitive athletics, thus leaving the evening free for study.

3. The School of Physical Education has, this session, a record enrolment of 23 full time students in the first year and 5 full time students in the second year, there being more than twice as many first year students as any previous session. The total registration is 70. The demand for graduates is greater than the School can supply. It is the only School of its kind in Canada, and is almost certain to maintain its present standing and even continue to grow. As the length of the school course is extended there must be a still further interlocking of the schedule with the academic work of the first and second years in such subjects as English, Physics, Chemistry, Psychology, etc. If a separate Department or Faculty of Education is established in the future to take care of such departments and phases of education as the School of Social Service, School for Graduate Nurses, Department of Religious Education and Education proper, it seems that the logical place for the School of Physical Education will be in this newly formed Department or Faculty, provided that sufficient opportunity is given for the special subjects and practical work that must necessarily be on the Time Table. In such a school there must be a judicious alternating of practical and theoretical work which can only occur if the
