

Time for commencement and completion limited.

16. The span or spans herein mentioned shall be begun within five years from the passing of this Act and completed within a further period of two years thereafter, and the other work hereby authorized shall be commenced within two years after the Executive of the United States has consented to and approved such bridging, and be completed within five years thereafter, otherwise the powers granted under this Act shall cease and be null and void as respects so much of the undertaking as then remains incomplete. 5

Joint commission with United States.

17. In case the state of New York or the United States at any time provide for the appointment of a commission for regulating the working of the bridge, the use thereof and the compensation to be made therefor, and for settling any dispute in respect thereof, the Governor in Council may join in the appointment to the said commission on such terms as he thinks proper, and appoint one or more persons as members thereof, and the decisions of the said commission shall first be submitted to the Governor in Council, and if approved, shall thereafter be final and conclusive to the extent to which the same are final and conclusive by virtue of the provisions made by the state of New York or the United States. 10 15 20
