

THE HEADS OF SERIES

Are earnestly solicited to have this pamphlet circulated as much as possible, and to procure to the Work of the Holy Childhood new heads of series.

NOTA.

The annual contribution is only 12 cts., *so that everybody can give it.*

With this contribution given by Associates all over the globe to the number of *many millions*, the Work causes to be baptized, annually, more than 400,000 children.

The Associates partake in the merits of missionaries, the prayers of the children saved, and in the masses said, every month, for the living and dead Associates.

Moreover, the heads of series can gain *every day* an indulgence of 100 days.

Priests who promote the Work have the power to indulgence beads, &c., to receive of the Scapulary, to attach to crucifixes the indulgence of the Way of the Cross, and to give the indulgence *in articulo mortis*.
