

*Eremobiini*. — (Tables of genera) Saussure, Prodr. Oedip., 61–63 (1884); Id., Add. prodr. Oedip., 122–24 (1888).

*Brachystola*. — (Table of species) Saussure, Prodr. Oedip., 163 (1884).

ACRIDINAE. — (Tables of genera and higher groups) Thomas, Acrid. N. A., 144–45 (1873); Stål, Rec. Orthopt., i, 26–44 (1873); Id., Obs. orthopt., ii, 10–19 (1876); Id., ibid., ii, 37–41 — N. A. genera (1876); Id., Syst. Acrid., 5–53 (1878); Comstock, Introd. ent., 106 — the commoner N. A. genera (1888); Fernald, Orthopt. N. Engl., 18 — N. Engl. genera (1888); Brunner, Rév. syst. Orthopt., 131–51 (1893).

*Dictyophorus*. — (List of species) Pictet-Saussure, Catal. Acrid., i, 17 (1887).

*Rhomalea*. — (Table and List of species) Pictet-Saussure, Catal. Acrid., i, 18–20 (1887).

*Tropidacris*. — (Tables and List of species) Stål, Rec. Orthopt., i, 48–49 (1873); Pictet-Saussure, Catal. Acrid., i, 28–29 (1887).

*Schistocerca*. — (Tables of species) Stål, Rec. Orthopt., i, 64–67 (1873); Thomas, Acrid. N. A., 169 (1873); Id., Key Ill. Orthopt., 3 — Illinois species only (1875).

*Melanopli*. — (Tables of genera) Stål, Obs. orthopt., iii, 3–5 (1878); Brunner, Rév. syst. Orthopt., 144–47 (1893); Scudder, Psyche, vii, 367–68 — N. E. genera only (1896); Id., Proc. amer. acad. arts sc., xxxii, 195–204 (1897). A monograph on this group, with tables and descriptions of all the N. A. genera and species will shortly be published by the U. S. National Museum.

*Podisma*. — (Tables of species) Thomas, Acrid. N. A., 145–46 (1873); Id., Key Ill. Orthopt., 3 — Illinois species only (1875); Stål, Obs. orthopt., iii, 14–15 (1878).

*Melanoplus*. — (Tables of species) Thomas, Ann. rep. U. S. geol. surv. terr., v, 449–50 (1872); Id., Acrid. N. A., 158 (1873); Id., Key Ill. Orthopt., 3 — Illinois species only (1875); Scudder, Proc. Bost. soc. nat. hist., xix, 322–24 — N. Engl. species only (1878); Id., ibid., 327–28 — Western species only (1878); Stål, Obs. orthopt., iii, 13–14 (1878); Comstock, Introd. ent., 108, commoner species only (1888); Fernald, Orthopt. N. Engl., 31 —
