

tion from the Ladies' Committee, and to their efforts the continued success of the Institution largely due.

While the children have on the whole enjoyed good health there has been some sickness in the Home during the year. Thanks, however, to the professional services rendered by Dr. Milne, the children, with one exception, are again in the enjoyment of good health.

The total number of children cared for and provided with a home during the year was 58.

Admitted . . . . .	13
Taken out . . . . .	6
In the Home at present . . . . .	45
Girls 24—Boys 21.	

In June last the Treasurer received \$1,000 from "A Friend" as a donation to the Institution, and in July, \$40 was placed on the collection plate of John's church from "A Friend" to the Home. In August \$15 was received from collection in Methodist church, Westminster. In December the Sewing Society and Caulkers' Association donated \$10. Also in December there was received from George Hyde, Esq., Westminster, Executor of the late E. Hitchcock, a legacy of \$200.

In addition to the cash subscriptions elsewhere acknowledged, kind friends have contributed
