EARL JR. IS THE WINNER
CLEVELAND FREE-FOR-ALLIndependence Boy is Second and
The Eel Third—Louis
Forest Wins Trot.

CLEVELAND, Aug. 10.—Another record was smashed at the North Randall Grand Circuit races to-day. The three miles of the free-for-all championship pace, with such spenders as Independence Boy, Earl Jr., The Eel and Evelyn W., contending, were paced respectively in 2:01 1/2, 2:02 1/2 and 2:03 1/2, a world's record for pacing three heats in a race. The first heat, paced in 2:01 1/2, in addition to being the speediest mile ever paced on the North Randall track, stands as the fastest paced mile of the year. Independence Boy, the favorite, paced in 2:01 1/2, and The Eel, but proved himself capable of performing the feat in 2:01 1/2, his last year. The first quarter of this heat was paced in 29 seconds.

The second heat resulted in another fast mile. Major Mallow led the way to the half in 1:01, but died out at the three-quarter mark. Independence Boy, Earl Jr., and The Eel taking the lead. Independence Boy broke on the stretch and Earl Jr. came under the wire first in 2:02 1/2.

Earl Jr. showed remarkable strength in the final heat, which resulted in another terrific battle between himself, The Eel and Independence Boy. For the second time he put the favorite to rout, winning the heat and consequently first money.

With Anvil, the favorite, drawn from the Ohio State race because of a lame foreleg, the heat was made up by Louis Forest and was beaten out by Louis Forest. In the second heat she showed her class by beating Louis Forest in a driving finish. She could not repeat, however, and Stroller, showing a surprising burst of speed won by a half length. High Admiral made Charlie Mitchell, the favorite, work hard to win the third heat. High Admiral again showing second, although several lengths to the rear of the winner.

Cascade and Lady Willow were the choice of the contenders in the 2:18 to 2:20. Cascade proved his superiority by winning in straight heat. It was announced late in the afternoon that Union, instead of attacking the world's trotting record for to-morrow, the closing day of the meeting, will go to lower the world's trotting record for the half mile, to a wagon, in the open. Drs. Petacci and Marchisava visited their patient to-night. They reported that his temperature still was only slightly above normal, and that his condition, considering the heat, was satisfactory.
