## NEW CHAIRMEN NEEDED FOR TWO COMMITTEES

Post-Election Gossip at Hamilton—Jokers Were Abroad on Election Day.

HAMILTON, Jan. 2.—(Special.)—The chief feature of the aftermath of yesterday's municipal elections was the discussion around the city of to-day as to who the chairmen of the various standing committees of the city council would be this year.

It is generally conceded that Ald. Wallace, who was returned from Ward 1, and who did such excellent work as chairman of the works committee last year, will again be put at the head of that committee. It is also probable that Ald. Clark will again serve as chairman of the fire, police and jail committee, while Ald. Davey will doubtless be continued as the head of the legislation and reception committee. The withdrawals of Alds. Porth and Robson, who were chairmen of the property, harbor and license and the court house committees, respectively, last year, and who were both left behind in the race for the board of control yesterday, make it necessary to find new chairmen for these committees.

**First Council Meeting.**  
The new council will meet for the first time next Monday morning at 11 o'clock.

The vice-chairmanship of the board of control is as yet unsettled, but it is probable that Controller Bailey, who headed the poll yesterday, will be given the position. Controller Bailey will likely succeed ex-Controller Cooper as the controller on the works committee.

The political complexion of the 1912 council is strongly conservative, thirteen of the members, including Mayor, being of that persuasion, while one controller and seven aldermen are Liberals. There is said to be no intention to change party politics into the workings of the municipal legislative body, however.

**Amusing Election Incidents.**  
The elections yesterday were not without their amusing incidents. One of the most ridiculous occurred around the city hall involves Mayor Lees and Harry Kent, who is a son of the city clerk and who acted as a poll clerk at the polling booth where the mayor voted. His worship entered the voting place and intimated that he was going to exercise his right of suffrage. "What's the name?" inquired the young man. He told him. "That's all right," said the mayor, "but I don't want to vote for you." He then turned to the young man and said, "I am your father."

**A Practical Joke.**  
Charles G. Bird, alderman-elect in ward 2, was the victim last night of a practical joke, the funny part of which was that he did not know it. About midnight, after he had retired for the night, Bird was called to the telephone and informed by some unknown person that a mistake had been made in the figures for his ward and that instead of being elected he was defeated by a few votes. After several unsuccessful attempts to get the newspaper offices by telephone to verify or refute the report he had received, the alderman-elect returned to his street clothes and rushed breathlessly to one of the offices, where he found to his surprise that he had been the victim of a heartless hoax. To-day Mr. Bird discovered that the person who played the prank on him last night was one whom he had alarmed in a similar manner last year.

One route into the city for all the steam railroads, entering Hamilton is being strongly advocated at present by principal cities, including Bailey and Dutton and Ald. Wallace are among the foremost advocates of the plan and while the C. N. R. has purchased nearly all of its right of way thru the city, it is said to be in favor of the plan also. A multiplicity of level crossings within the city and the cutting up of the city by the several railways, each using a separate route, are the strongest arguments advanced against the railways coming in by different routes.

**Factory Sites.**  
The suggestion made by Ex-Controller McLaren last before the close of 1911 that a fund be established by public subscription for the purpose of acquiring and holding land for factory sites, so that such property could not be exploited by real estate speculators, has already borne fruit. It was announced to-day that Stanley Mills of the Stanley Mills Co., had subscribed \$1000 towards the fund. It is proposed to establish a fund of between \$50,000 and \$100,000, and it is understood that several other public-spirited citizens are in favor of the scheme and will subscribe liberally.

**CHAIRMANSHIP FOR M'BRIDE.**  
It is rumored round the city hall that the chairmanship of the island committee, which was left vacant by the defeat of Ald. Baird, will likely go to Ald. M'Brice. It is said that Ald. M'Brice mainly qualified thru his summer residence on Ward's Island. This will likely be the only change made regarding the committee chairmen.

result a reduction of 20 licenses by local option successes, and 16 by license reduction. The reductions are those previously announced in The World of ten at Kingston, and also six at Stratford.

Kingston had 85 and will now have 25. Stratford had 16 and will now have ten.

Places heard from yesterday were Laval and Point Edward, where local option carried. Elzevir and Grimsby defeated local option.

Emo, Wallace and Ridgeway gave local option majorities, but failed to attain the necessary three-fifths.

Secretary Ben Spence says of the result 55 out of the 69 contests have been heard from. The fifteen repeal contests all failed. "We are preparing for a new fight which will be no child's play."

**THE SECRET OF A GOOD COMPLEXION**  
This is the season for evening parties, social events, etc. Why not look your best? Why let your complexion suffer by contrast with other ladies? Why not ensure a good complexion? You can do this on sound, natural lines by using Zam-Buk, nature's hereditary skin food.

Zam-Buk is a skin food, and complexion is purely a matter of skin health. Zam-Buk smoothes slightly over the face each night acts as a skin tonic. It stimulates the cells beneath the surface to healthy action, makes the capillaries and blood vessels work, and the vigorous circulation thus started carries away secreted impurities. Wax, yellow deposits are thus removed. Hard, pimply growths are softened and disappear. That yellow tinge gives place to the pink of health and the white, velvety "look" and "feel" which healthy skin alone has.

Isn't this wiser than relying upon talcum powder and cosmetics? These only put on a "complexion" from the outside. It doesn't last. Zam-Buk helps nature to build up a complexion from blood and tissue. It lasts.

Zam-Buk also cures skin diseases, pimples, ulcers, abscesses, blood-poison, eruptions, cuts, burns, eczema, chapped hands, scurf, sores, bites, etc. 50c box, all druggists and stores, or Zam-Buk Co., Toronto, but beware of harmful substitutes and imitations.

**TRAIN STRUCK TROLLEY**  
Six Persons Injured at Grade Crossing in Troy, N. Y.

TROY, N. Y., Jan. 2.—Six persons were injured, two of them seriously, at 6.30 o'clock to-night during the rush hour, on the United Traction Company's line, when a Delaware & Hudson passenger train crashed into a crowded trolley car at the Bridge-ave. grade crossing here. The gates were not lowered and the gateman signalled to the motorman to proceed. The engineer says he tried to stop just west of the crossing, but the slippery rails prevented this.

## DASH SO BAD BABY CAME NEAR DYING

Head Broke Out. Spread to Arms, Legs and Entire Body. Itched So He Would Scratch Until Blood Ran. One Box of Cuticura Ointment and Nearly One Cake of Cuticura Soap Cured Him. Has Had No Return.

"When my boy was about three months old, his head broke out with a rash which was very itchy and ran a watery fluid. We tried everything we could but he got worse all the time, till it spread to his arms, legs and then to his entire body. He got so bad that he came near dying. The rash would itch so that he would scratch till the blood ran, and a thin yellowish stuff would be all over his pillow in the morning. I had to put mittens on his hands to prevent him scratching his skin. He was weak and run down that he took fainting spells at it. He was very thin and his little hands were thin like claws."

"He was bad last eight months when we tried Cuticura Remedies. I had not laid him down in his cradle in the daytime for a long while. I washed him with Cuticura Soap and put on one application of Cuticura Ointment and he was so soothed that he could sleep. You don't know how glad I was he felt better. He took one box of Cuticura Ointment and pretty near one cake of Cuticura Soap to cure him. I think our boy would have died but for the Cuticura Remedies. I shall always remain a firm friend of them. He was cured more than twenty years ago, and there has been no return of the trouble. I shall be glad to have you publish this true statement of his cure." (Signed) Mrs. M. C. Maitland, Jasper, Ontario, May 27, 1910.

"For many a generation mothers have found a speedy, agreeable and economical treatment for their skin-tormented little ones in Cuticura Soap and Ointment. Although they are sold by druggists and dealers everywhere, a liberal sample of each may be obtained free, from the Potter Drug & Chem. Corp., sole prop., 53 Columbus Ave., Boston, U.S.A."

## WANT VIADUCT QUICKLY

So Mayor Interprets Vote—Must Go to Legislature for Car Lines.

Mayor Geary stated yesterday that the result of the Bloor-st. viaduct by-law showed that the people wanted it, and wanted it quickly. Plans, he said, would be prepared as soon as possible, but there were many questions in connection with the project which must be decided, as for instance, it had not been decided whether or not street cars would be run over the bridge. Work will also be commenced without delay on the Danforth car lines, he said.

In spite of the fact that the ratepayers authorized the building of a street car line on Danforth-ave., actual work cannot be commenced until the act of the Ontario Legislature, which authorizes such a project on the part of the city is proclaimed by the lieutenant-governor. The city, however, has made application to have such an act put in force. Authority must also be obtained before the by-laws providing for extra street lighting to be installed as a local improvement, and the laying of water mains as local improvements can be put into force.

## GOOD BUILDING YEAR

Permits Issued in City Showed Value of \$24,374,000, Increase of \$3,000,000.

The report of the city architect shows that the building permits for 1911 amounted to \$24,374,000. This represents over \$3,000,000 more than the value of the permits issued in 1910. The figures show a decided increase in the number and the value of the building permits of 1911 over 1910. The number of permits issued last year was 778, while in 1910 there were 620. There were 369 new buildings erected last year as compared with 349 in 1910. For the month of December the applications for permits for the buildings were \$1,791,042, and in December, 1910, the figures were \$1,353,256. There were 505 permits issued in December, 1911, while in the same month, 1910, there were 497 issued.

## VIADUCT'S MAJORITY 800

Revised Figures Cut Down Majority—Sauderson Led by Sixty.

The official figures of City Clerk Littlejohn showed that there were no changes in the standing of the aldermen or controllers, though the figures differ somewhat from those published by the morning papers.

In ward one, however, it was seen that there was a gap of about 60 votes between Alderman-elect Sauderson and W. B. Robbins. The morning papers gave Mr. Sauderson only a majority of ten for third place in the contest.

The majority for the Bloor-st. viaduct was about 800, and the morning papers indicated that the by-law had passed by over 1400 votes.

## AN IMPROVED CAR SERVICE.

Jan. 9 is the date arranged by the Ontario Railway and Municipal Board to hear the city's application for an order to compel the Toronto Railway Co. to put on 200 more cars and improve the service generally. Investigation will also be made as to the manner in which the company has carried out the orders of the board, relative to the Queen-street and Dundas services. The city will submit the evidence of the men who for some days past have been making observations of the traffic.

The marriage took place in Bobcaygeon on Thursday, the 28th of December, at 11 a.m., in Christ Church, of Miss Edith Moody, youngest daughter of Mr. and Mrs. Robert Reid, to Mr. Harlow H. Banks, son of Dr. Banks, Detroit. The service, which was fully choral, was taken by the Rev. A. Barby, Bobcaygeon. The church, with its Christmas decorations of holly and cedar, made a beautiful background for the bridal party, which came up a aisle to the music of the wedding march, which was played by Mrs. Zetta Bottum, who also played softly during the service. The bride was preceded by the organ, Mr. H. R. Reid, brother of the bride, A. P. Gorman (Toronto); then the little flower girl, Miss Clara Gallagher (cousin of the bride) who was in pink and carried pink roses; the bridesmaid, Miss Gertrude Ross (Toronto), who wore pale yellow satin, with crystal fringe, gold shoes, and a black picture hat with willow plumes, carrying yellow roses, and wore the groom's gift, a crescent of pearls; lastly, the bride with her brother, came up the aisle. Her gown was of ivory duchesse satin with veil of crystal and pearls; her tulle veil was arranged as a cap, wreathed with orange blossoms. She carried a shower bouquet of bride roses and lilies, and wore the groom's gift, a sunburst of diamonds and pearls. Mr. Arthur MacIntyre, Detroit, was best man, and received a pearl scarf pin from the bridegroom. After the ceremony, Mrs. Reid held a reception at her residence, where she was wearing a gown of black satin. The bride and groom received with her in the drawingroom, which was decorated with the music of the wedding march, which was played by Mrs. Zetta Bottum, who also played softly during the service. The bride was preceded by the organ, Mr. H. R. Reid, brother of the bride, A. P. Mr. Arthur MacIntyre, Detroit, was best man, and received a pearl scarf pin from the bridegroom. After the ceremony, Mrs. Reid held a reception at her residence, where she was wearing a gown of black satin. The bride and groom received with her in the drawingroom, which was decorated with the music of the wedding march, which was played by Mrs. Zetta Bottum, who also played softly during the service. The bride was preceded by the organ, Mr. H. R. Reid, brother of the bride, A. P. Gorman (Toronto); then the little flower girl, Miss Clara Gallagher (cousin of the bride) who was in pink and carried pink roses; the bridesmaid, Miss Gertrude Ross (Toronto), who wore pale yellow satin, with crystal fringe, gold shoes, and a black picture hat with willow plumes, carrying yellow roses, and wore the groom's gift, a crescent of pearls; lastly, the bride with her brother, came up the aisle. Her gown was of ivory duchesse satin with veil of crystal and pearls; her tulle veil was arranged as a cap, wreathed with orange blossoms. She carried a shower bouquet of bride roses and lilies, and wore the groom's gift, a sunburst of diamonds and pearls.
