

WORK ON HARBOR PLANNED FOR YEAR

Commission Authorizes Issue of Four Million Dollars in Debentures.

Board of Control and the harbor commissioners met yesterday to discuss the work for next year and the issue of the same. The commission was authorized to issue \$4,000,000 in debentures to provide for the 1920 work. The mayor said yesterday at the meeting that eighty per cent of the amount of issue would be spent on revenue-producing projects and the harbor board will meet the debt on the whole amount so that there will be no charge on the city. Mr. Bradshaw offered to loan the money if the controllers so directed him. The money will be used for reclamation, work between Bathurst and Cherry streets, purchase of leases, construction of retaining walls and docks.

ONE CITY COUNSEL LEFT.

Only one senior counsel is left in the department of the city hall—Solicitor Johnston. I. S. Fairly was on privy council business. Assistant Solicitor Colquhoun is away prior to proceeding west to a telegraph rates commission.

WATER FOR ISLAND SOON.

There will be no city water supply for the island after Tuesday, Nov. 18, at which day the works department will shut off. The shutting off is necessary to prevent freezing and bursting of pipes during the winter, as the pipes are not laid very deep in the island.

Mothers

Canada

am very enthusiastic about the Favorite Prescription as a tonic for expectant mothers. I have had experience both with the 'Prescription' and without it, and am in a position to know that there is a vast difference. I was never nauseated or sick at all with my 'Prescription' babies but I was extremely uncomfortable with suffering was greater with the Favorite Prescription. I take pleasure in recommending it to expectant mothers." MRS. H. PEPPER, 114 Grange
