## OMAR FOR HOUSEWIVES.

To-morrow a new Cook will come, you say.  
Yes, but where leaves the Cook of yesterday?  
And this sweet summer day that brings me Rose,  
Shall take Irene and Mary Jane away.  
I sometimes think that never Burns the Bread  
So Black as when the Tea is Boiling Red;  
That every Cabbage plant the Garden wears  
Knows more than any human Cabbage head.  
And this new Maid who looks so fresh and Green  
On whom with all my woes I fain would Least  
Ah, lean upon her Lightly, for who knows  
How soon She will get up and Quit the Scene?  
Ah, my new Handmaid, fill the pan that clears  
To-day of unwashed dishes, stacked in tiers.  
To-morrow? Why to-morrow I may be  
Myself Obligated to wash them—and for Years!

A box of Biscuits underneath the Bough,  
A Can of Beans, a bag of Salt, and thou  
Burned out and Singing in the Wilderness  
Ah, wilderness were Paradise now!  
So when the Angel of the Muddy Drink  
Called Coffee, throws the Grounds into the Sink,  
And taking her Departure leaves you there  
Alone to Clean Things Up, you should not Shrink.

Ah, make the Best of so-called Help, my friend.  
Until we, too, into the Dust descend.  
Take up our Work where hirelings left it off.  
Sins Hope, sans Help, sans Dishcloth, and sans End.  
—Ethelwyn Wetherald, in "Good Housekeeping."

## Personal.

J. B. Tyrrell, M.A., B.Sc., F.G.S., has opened an office at 9 Toronto-street as a mining engineer and valuer of mines and mining properties. Mr. Tyrrell is one of the foremost mining engineers of the continent. He is a graduate of Toronto University of the year 1880.

W. S. Crone, vice-president of the H. W. Nelson & Co., Limited, returned to the city yesterday after a very successful business trip to the Pacific coast. Dr. Charles Alexander Page has sold his practice at Kingsville, Ontario, and has gone abroad to spend two years in special post-graduate work in the colleges and hospitals of Europe. Dr. and Mrs. Page sailed by the Empress of Ireland on Oct. 4, and are now in Edinburgh.

A fashionable wedding took place at St. Paul's Church yesterday afternoon, at 2.30, when Miss Charlotte Emily Nicholls, daughter of Mr. and Mrs. Frederick Nicholls, was married to Mr. James Ernest Proctor, son of the late Mr. J. A. Proctor and Mrs. Proctor of Grenville-street. The ceremony was performed by the Rev. Canon Cody. The church was very prettily decorated with chrysanthemums and smilax. The bride, who was given away by her father, wore a gown of oyster-white liberty satin in princess effect, with yoke and panel of duchesse lace and pearl ornaments. Her tulle veil fell from a wreath of orange blossoms and her bouquet was of white roses.

Four bridesmaids attended—Miss Hazel Nicholls, sister of the bride, Miss Ethel Hughes, Miss Elise Medford and Miss Muriel Cronyn. Miss Beattie Nicholls was maid of honor, and wore a gown of pale blue chiffon with a belt of lace. The bridesmaids wore dresses alike in cream marquisette, with cream hats, and carrying yellow chrysanthemums.

Mr. A. H. C. Proctor, brother of the groom, was best man, and Messrs. Walter Nicholls, Fred Nicholls, Harold Thorpe and A. Howard acted as ushers. Mr. Howard Blight rendered the bride's address. "The Voice That Breathed Ever Edith," during the signing of the register. Mr. Palmer presided at the organ and played Mendelssohn's "Wedding March."

After the ceremony Mrs. Nicholls received the hundred and fifty odd guests at "Home-wood." The drawing-room was prettily decorated with chrysanthemums, and the dining-room, where a buffet was placed, with roses and lilies. Mrs. Nicholls wore a gown of ivory and white chiffon tulle, with lace insets, and an ostrich feather stole and black plumed white felt hat. After the usual toasts and speeches the bride and groom left for their honeymoon on the Mediterranean. On their return they will reside at 9 Roxborough-street.

Many beautiful gifts were received by the fortunate and popular young couple, including the following: A house on Roxborough-street, which Mr. Nicholls, a coal-merchant dinner service; Mrs. Nicholls, a coal-merchant dinner service; Mr. and Mrs. Nicholls, a silver service; Mr. Walter Nicholls, a silver service; Mr. Fred Nicholls, a glass carafe and tumblers; Mr. Norman Nicholls, a glass finger bowl; Miss Hazel Nicholls, a silver vegetable dish; Miss Beattie Nicholls, a pepper castor and mustard in pierced silver and blue glass; the late Mr. J. A. Proctor, cabinet of silver and cutlery; Mrs. Proctor, complete

The distribution of prizes and at home of St. Andrew's College was an event yesterday afternoon of some interest. The prize-giving took place in the prayer hall, which was decorated with leaves and flags, and was followed by a buffet tea, served in the dining-hall, where the decorations were of autumn leaves and palms. Mrs. McDonald received in a handsome red costume, and was assisted by Lady Mortimer Clark and others. After the tea an informal dance was held by the students and their friends in the gymnasium, and was continued until 7 p.m.

A quiet wedding took place at the residence of Mr. and Mrs. Frederick Saunders, 47 Walker-avenue, Toronto, when their only daughter, Mary (Minnie) was married to Mr. John Wilbur H. Mollon, only son of Mr. Hugh Mollon of Bowmanville, the Rev. J. Rice conducting the ceremony. Later in the evening the bride and groom left for a short western trip, the bride traveling in a tailor-made suit of happy blue broadcloth with hat to match. Mr. and Mrs. Mollon will reside on St. Clair-avenue, Deer Park, Toronto.

Mrs. James T. MacKenzie of Balmoral-avenue will receive to-day. Mr. and Mrs. A. Townsend and Miss Lena Townsend, with Mrs. E. M. Anthony of St. Catharines, Ont., will to-day pay Allan Line S.S. Corsica for Liverpool. Mr. and Mrs. Mollon will reside on St. Clair-avenue, Deer Park, Toronto.

A quiet wedding was celebrated in this city on Oct. 16, when Mr. G. S. Thomson and Miss Elizabeth Daly, formerly of Kingston, Ont., were married. The bride wore a gown of green tulle with large hat to match, and was attended by her sister, Miss Mae Daly, groomed in green chiffon cloth. Mr. R. Edgar supported the bride. After a wedding breakfast with the immediate friends and relatives the happy couple left for a short trip to New York and Atlantic City. Their future residence will be in Toronto.

Dr. Augusta Stowe-Gullen has returned from Stowe Island, Muskoka. The Right Hon. Sir Horace Plunkett, K.C.V.O., B.A., F.R.S., is staying at the Grange with Dr. and Mrs. Goldwin Smith, who are giving a dinner in his honor to-night.

## GIVEN LEAVE OF ABSENCE.

Laval Will Await Result of Divorce Suit.

MONTREAL, Oct. 17.—Till divorce proceedings, instituted by his wife, are settled, Dr. Lorr, an eminent French physician, cannot be employed by Laval University, and the doctor was yesterday given a year's leave of absence, his first term of engagement having been fixed at a year.

As Dr. Lorr is a nephew of the famous Pateur, Laval authorities thought that the medical faculty had a "find" in him.

## THE SECRET OF PERFECT HEALTH.

It used to be the general idea that there was some mystery about getting well and staying well. Sellers of quack nostrums took advantage of this fact and grew rich. We are growing wise, however, and know that good food, fresh air and cleanliness are all that are required. Cleanliness, however, means that you must be clean inside as well as outside. If your kidneys, liver and bowels are not properly performing their functions, they are accumulating a mass of dirt, as a result of your violation of some natural law, and you must assist nature in nature's way to cleanse the system. No necessity, however, to risk using some secret preparation. You can obtain a perfect compound of vegetable remedies, every one of which is endorsed by your physician. The formula of King Paimetto Compound is printed plainly on the wrapper. No secret, no mystery, just plain common sense. King Paimetto Compound will regulate the liver, bowels and kidneys, tone the system and prevent serious results which might arise from neglect. Give it a trial. Write for a free sample bottle to the King Paimetto Co., Bridgeport, Ont.

Sold and guaranteed by Burgess, Powell Co., 78 Yonge-street, Toronto.

## A Big Moose

is waiting for you to get it. Moose, red deer and caribou are plentiful in the Temagami regions. These famous hunting grounds are reached via the Grand Trunk Railway System. Write to J. D. McDonald, or call at city office, northwest corner King and Yonge-streets, for copy of "Haunts of Fish and Game."

## GUILD OF CIVIC ART URGES PARK COMMISSION

Deputation Waits Upon Park Committee—Simcoe Park Cottagers Must Wait.

In support of the recommendation that the city appoint a commission to report upon an extensive plan of park improvements, a deputation from the Guild of Civic Art waited upon the civic parks and exhibition committee yesterday.

The visitors included George A. Howell, R. H. M. Smith, A. N. Campbell, A. E. Huestis, and W. A. Langton. Mr. Smith asserted that a comprehensive plan was needed, one that would cover the whole city, not merely the waterfront from the Don to the Humber, as planned for the lakeshore drive. He urged that the city act with the Dominion and provincial governments.

Mr. Campbell suggested that only a small commission be required and that the expense to be involved need not be heavy, yet it could go into the question exhaustively. It was desired that the guild should have one representative. Consideration was promised.

Commissioners Chambers was granted \$1000 for the removal of dead poplar trees. He said there were hundreds of such dead ones throughout the city, and that there was danger to the lives and limbs of the public. Mr. Campbell's proposal that St. Patrick's Market be converted to playground uses found favor. It was recommended that negotiations be begun with the heirs of the Borden estate, which dedicated the property to the city for market purposes in 1880.

Mr. Chambers reported that the Kendall-avenue playground had been made ready for use.

At the meeting of the civic property committee yesterday afternoon, it was decided not to take any action on the application of Simcoe Park cottagers for 21 years' lease, until it had been clearly ascertained whether the market and many smaller plots of land, including the marsh would require use of the property occupied.

The mayor took a stand for the cottagers. He had a distinct impression of Mr. Fleming having given the promise he asserted. However, the committee decided to wait.

Mr. Rust will report on the feeling of uneasiness among residents of Yorkville lest the plans for reconstruction of St. Paul's Hall would involve the abolition of the hall as a place of public meeting. Property Commissioner Harris gave assurance, however, that no such act of vandalism was under consideration.

## Septic Tank System.

Dr. Sheard, City Engineer Rust and Waterworks Engineer Efflow are recommending a system of septic tanks with bacteria beds, on the lakeshore between Greenwood-avenue and Woodbine. The cost of the plant is estimated at \$25,000, with \$800,000 for the beds.

Hitherto the difference of opinion between Dr. Sheard and Mr. Rust as to whether crude sewage should be deposited in the lake has prevented an agreement, but the decision of the provincial board of health against such depositing has cleared away the obstacle.

The mayor says that if public feeling continues to run high, he will ask the board of council to recommend to the city council that the government appoint a commission to investigate the coal situation.

The Godson Contracting Co. advised the board that it had made a mistake in its tender for paving Dupont-street, from Kendall-avenue to Walmer-road, the distance having been underestimated.

Mr. Rust will report on the feeling of uneasiness among residents of Yorkville lest the plans for reconstruction of St. Paul's Hall would involve the abolition of the hall as a place of public meeting. Property Commissioner Harris gave assurance, however, that no such act of vandalism was under consideration.

## Sea Wall Plans.

Mr. Rust submits two plans for a sea-wall from Dufferin-street to the Humber. One at \$80,000, the other for a sea-wall at a distance of 200 feet from the shore, from Bathurst-street to the Humber, with harbours for small craft. The other plan, at \$90,000, places a portion of the wall at a greater distance from the shore, and provides for an inland lake between Dufferin-street and Sunnyside.

To expedite the work of laying the high pressure water system, the board of health has decided to employ night labour, the cost will be 50 cents per cubic yard extra.
