Malaga, N.J., Aug. 25.—A waterme'on eating contest the other day among a dozen clergymen furnished lots of amusement for the camp-meeting crowd. Staid ministers plunged their whiskers into the luscious fruit and streaked their clothes with the fruit in their endeavor to cause the disappearance of the melons, and for 20 vainutes there was a side-splitting scene. Rev. J. R. Greer of Millville was finally declared the winner, after having eaten two big melons. He was put to bed. Dr. Graw was accorded second honors and Dr. Strickland third.

In military prisons an offender is sometimes sentenced to carry cannon balls from one place to another and pile them up all day long. That is all. Perhaps it does not seem very terrible but it soon wears his life out. It is practically a death sentence, and he knows it; he would rather be shot. Many a sick man feels the same way about the burden of disease that he is lugging back and forth from day to day. He would as soon be down with a mortal disease. It will come to that sooner or later.

A man's life can be dragged out by dyspepsia and liver complaint. The experience of Mr. J. T. Cardwell, of Pall Creek Depot, Pittsylvania Co., Va., shows how Dr. Pierce's Golden Medical Discovery saves people from consumption by waking up their nutritive organism and giving it power to supply pure, healthy blood, which drives out blood poisons and dead tissues and builds up sound, wholesome flesh and muscle.

"If feel it my duty," writes Mr. Cardwell in a letter to Dr. Pierce, "to write you of the lasting benefits derived from the use of Dr. Pierce's Golden Medical Discovery and little 'Pellets,' Seven years ago I contracted a severe cold, which baffled the skill of one of the best physicians in my State. R ran on and I continually grew worse until I concluded to write to the 'World's Dispensary Medical Association,' The answer to my inquiry advised me to use 'Golden Medical Discovery' and 'Pellets' for indigestion and liver complaint; at this time two months had passed. In two or three days after I had commenced the use of your medicales my cough had entirely stopped, my digestion was better, my low spirits driven away and I felt new life and vigor in my whole body."

This marvelous "Discovery" makes nerve force and rugged power. It is far better than oily emulsions; it does not make flabby fat, it does not increase the weight of corpulent people.
