# ANGLO-GERMAN TREA

German Imperial Chancellor Has Been Assured That the Other Powers Will Readily Accede to the Arrangement.

It is Hited They Will Join Since It Has Been Shown That the **Alliance Was Not Directed** Against the Czar.

U. S. WANTS THE OPEN DOOR

many in the Alliance Signed

on Oct. 18.

have yet been received from the powers rehave yet been received from the powers regarding the Anglo-German agreement, Count Von Buelow, the Imperial Chancellor, Count Von Buelow, the Imperial Chanc has been assured by the diplomatic repre- garded as belonging to them. Russia will sentatives here that their Governments in the meantime, know how to protect will readily accede to the arrangement. The agreement, which may be considered as Count Von Buelow's entree joyeuse into his new office, is interpreted as another as nother countries. The Novoe Vremya regards the territory north of the Peiho River as belonging to Russia, "who will not admit the applicavictory for him. It is now as- tion of the open door to that territory.' serted that the Russian Ambassador to Germany, who was the first representative Count Von Buelow told about the agree-ment, giving him oral explanations tending that its point was not directed against Russia, gave assurances amounting

the agreement.

While most of the papers approve the agreement, the Russophile press, which means the Anglophobe section, expresses a fear that the coolness between Germany and Russia, which arose recently, as evi-denced by several incidents relating to Count Von Waldersee, will be intensified

The Hamburg-American line, the North

German Lloyd line, the Association of Ship-Owners at Hamburg, and various Chambers of Commerce, have telegraphed to Count Owners at Hamburg, and various Chambers in the British-German agreement or and of Commerce, have telegraphed to Count ance, which was made public last week. While this note by Secretary Hay bears date of Oct. 19, and the British-German Police Are Working.
