LAVAL TO ORGANIZE COMPANY FOR FRONT

QUEBEC, May 6.—Father Filion, rector of Laval University, this morning read the students a letter he had received from the deputy minister of militia, suggesting that a company of infantry, two hundred and fifty strong, be formed of young students of the institution and affiliated colleges. The suggestion was well received. Under this scheme the men enlisting in this particular unit will be entitled to complete for commission and non-commissioned officers' rank and will be allowed to select their own officers. Major T. Paquet will organize the company along the lines adopted by the Toronto University.

CHICAGO CABARETS CLOSE.
CHICAGO, May 6.—With scarcely a flicker of the white lights to mark their passing, every cabaret in the city officially ended its existence at 12:01 o'clock tonight. At that hour the new ordinance divorcing intoxicating liquor and entertainment and dancing, and practically all forms of amusements, was put into effect.

GIRLS! ACT NOW!
HAIR COMING OUT
MEANS DANDRUFF

"Danderine" will save your
hair and double its
beauty at once.

Try this! Your hair gets soft,
wavy, abundant and
glossy at once.

Save your hair! Beautiful! It is
only a matter of using a little Danderine
occasionally to have a head of heavy,
beautiful hair; soft, lustrous, wavy and
free from dandruff. It is easy and in-
expensive to have pretty, charming hair
and lots of it. Just spend a few cents
for a small bottle of Danderine. It
dandruff now—no more dandruff.

Apply a little as directed and within
ten minutes there will be an appearance
of abundance, freshness, fluffiness and
an incomparable gloss and lustre, and
as you will, you cannot find a trace
of dandruff or falling hair; but your real
surprise will be after about two weeks' use,
when you will see new hair—fine and
downy at first—yes—but really new
hair—sprouting out all over your scalp.

Danderine is, we believe, the only sure
hair grower, destroyer of dandruff and
cure for itchy scalp, and it never fails
to stop falling hair at once.

If you want to prove how pretty and
soft your hair really is, moisten a cloth
with a little Danderine and carefully
draw it through your hair—taking one
small strand at a time. Your hair will
be soft, glossy and beautiful in just a
few moments—a delightful surprise
awaits everyone who tries this.

T. N. & W. RY. CHARTERED

Subsidiary of C. N. R. Occa-
sions Warm Debate Till
the Very Last.

OTTAWA, May 6.—In the House of
Commons this afternoon the premier
presented a bill amending the war-
time elections act in its application to
by-elections. The bill provides that
present that there shall be a lapse of
28 days between nomination day and
election day for the purpose of taking
military votes.

In so far as by-elections are con-
cerned, the interval will be reduced by
the bill to one week, as military votes
are not taken in the interim.

Mr. Porter asked if sons of farmers
to be given opportunity before the
election to go to the front. Major-General
Mewburn replied that district officers
called to the colors of finishing
granted to permit immediate return on
leave of a week who were needed for
seeding.

Sir Sam Hughes asked if it were not
possible to have these men notified, rather
than put to the expense of re-
turning a person to the district
quarters.

We are endeavoring to do that
now," the minister replied.

That Subsidiary of C. N. R.
Third reading was given to the bill
granting a railway charter to the
Toronto, Niagara and Western
Railway Company.

Col. John A. Currie objected strenu-
ously to the passage of the bill. He
said that the bill was a concession to
the Toronto, Niagara and Western
Railway Company, a subsidiary
company to the Canadian North-
western Railway, did not own the right-of-
way over which it ran. The right-of-
way, he said, was owned by the
Toronto, Niagara and Western
Development Company, which was
a subsidiary company to the Toronto
Electric Railway.

Col. Currie thought the House
should have been informed what re-
sults the Toronto, Niagara and Western
Development Company had a right-of-way
running parallel to the Toronto, Niagara
and Western line. In acquiring the
road, the company, he said, was not
binding.

CANADIAN ARMY HEADQUARTERS, May 6.—The Canadian army has
taken over trenches in the vicinity of Neuville-Vitasse, Merceat and Bois-
St. Marie, in addition to its front from Hill 70 to Gavrelle.

Visiting the Canadian where they hold their hard-won positions in front
of Vimy Ridge, Sir Edward Kemp, minister overseas for the military forces
of Canada, has been the guest for a few days of Sir Arthur Currie, com-
mander of the Canadian army, at the battlefield.

was the guest of Sir Douglas Haig, returning to the Canadian headquarters
afterwards. No official reviews or inspections have marked the trip, which,
while official, has been of an informal nature.
