Royal Canadians for \$200 a side. Mr. Foley suggests that the first ten games be played in Toronto, on Thursday and Friday of this week, the return to be rolled in London a week from the games here. Alf. Sheere and W. A. Primeau of London are suggested as foul and pin judges, respectively, for the Toronto series, while the officials for the London series can be selected when the teams come together.

Messrs. Capps and Sutherland are now respectively asked to pick out any flaws in the foregoing articles, or, if it is agreeable to them, they are kindly asked to let this office know, so Mr. Foley can be advised over the phone to-night.

This match game between West and Bell versus Capps and Sutherland is causing a lot of local interest, and the outcome is awaited anxiously. The stock of Capps and Sutherland earlier with new pins, George Capps rolled anxiously. The stock of Capps and Sutherland earlier when, with new pins, George Capps rolled earlier hand Edde Sutherland 621. This rolling shows that the local men are now right, and Friday night should just about catch them, but whether in London or Toronto will have to be decided.

Isst night hung u pa new record for the season when they totaled 2877, or just ten pins behind the city record held by the iroquois. Royals won three from Orr Bros., Brunswicks two from Dominions, while Parkdales took three from Chadstones and Cutts won two from Canadians. Capp, 623, and Sutherland, 621, were high. Scores:

The recent tournament of the C. B. C. saw a few match games, but no local men figured. West of London had a few matches on with the Vancouver men, but he was the only one. Therefore, the foregoing match is the first of its kind that local bowlers have participated in.

The plan of battle as pursued by Rober Day, the Canadian champion, in the fina bout of the city tournament last night in Mutual-street Rink, must have appealed strongly to the best supporters of boxing in the large gathering. The Scotchmar was trained perfectly, and plainly displayed a superiority over S. Hickman, his played a superiority over S. Hickman, his played as uperiority over S. Hickman, his played as paparent that he could have in flicted more severe punishment had in the processary. Happily, most of the spectators were satisfied, tho there was an odd miserable extremist who hooted for a sacrifice.

The Don Rowing Club took down the lion's share of the prizes, no less that five firsts out of eight; the Thistle Football Club two, and the West End on British United landed no less than for

Hans Holmer and Second Vice-President Litingow of the C.A.A.U. were visitors at the boxing tournament last night. They are en route home to Halifax from their successful trip, and run around Burlington Bay. Holmer is an Englishman by birth, coming out to Nova Scotia at the age of 5. He is tall and thin, wherever he gets his staying power from.

No talk of a return match between the Argonauts and T.A.C., and it is still a debatable question whether the present incumbents are entitled to their berth in the Interprovincial Rugby Union. It was truly a close game on the holiday, tho the barsmen should have won, or the Torontos, according to who is telling it.
