COLD WEATHER ACTED AS TONIC TO MARKET

Trade Active at Stock Yards From Opening Yesterday Till Noon.

WHAT OF RECIPRCCITY?

American Buyers State Cattle Prices Higher in Toronto Than in U.S. Markets.

Receipts of live stock at the Union Stock Yards on Monday were 111 carloads, comprising 2240 cattle, 439 hogs, 271 sheep and lambs, 93 calves and five horses, since Saturday morning.

Butchers' cattle—Receipts being not overly large and the stimulating influence of cold weather acted as a tonic to the market, trade being fairly active from the opening up to the noon hour, when the bulk had passed over the scales. The quality, as a rule, was better, two carloads being good enough to sell at $8.12½ and $8.15 respectively. When quality is considered values were no better than on Thursday, but it was a good healthy market, everything being reported sold at the close.

Stockers and feeders—These were in demand, but offerings were scarce and prices firm, but steady.

Milkers and springers—Receipts in these classes were light and more of the good and choice kinds would have sold readily at steady to firm values.

Veal calves—Only a moderate supply met a hungry market, all offerings being readily taken at firmer values all round, as will be seen by purchases and sales reported.

HYDRO TENDERS WANTED.

SEALED TENDERS, marked "Tenders for Lead Covered Cable," addressed to the Chairman, The Toronto Electric Commissioners, will be received until noon, Wednesday, Feb. 16, 1916. Each tender must be accompanied by a marked cheque as called for in the form of tender. Specifications and form of tender can be obtained at the office of the Purchasing Agent, 15 Wilton Avenue. The lowest or any tender not necessarily accepted. 612

R. Carter bought one deck of hogs for Puddy Bros. at $10.15 per cwt.

E. Puddy bought 20 steers, 1000 lbs. each, at $7.25.

MARKET NOTES.

On the Chicago market last Thursday four carloads of prime Colorado Mexican lambs sold at $11.25, a new high point for this year. Barring last May, when $11.35 was paid, no fed lambs ever before made that price on that market.

On the same day on the Toronto market the best lambs sold at $12.50, a difference of $1.25 per cwt. in favor of Toronto.

On Thursday last the best price paid for ewes was $7.75, while on the Toronto market $8.50 to $9 was paid.

On the same day the top price for hogs on the Chicago market was $7.95, while at Toronto $10.15 was paid for hogs fed and watered.

Choice corn-fed steers sold as high as $8.90 at Chicago, but the number selling at this price was limited, and the bulk of butchers' cattle ranged from $7.15 to $8.25.

American buyers tell us that taking all the classes into consideration, prices for cattle on the Toronto market are as high or higher, quality considered, than on the American markets.

Hogs for some time have sold at $2 to $2.50 per cwt. higher, and in some instances $2.75 and even $3 per cwt. Farmers! What about reciprocity now?

The Toronto market is as good, if not better, than any on the American continent and it is still growing larger and better all the time.

At Robert Miller's Shorthorn sale last week the American buyers present stated that prices were too high for them: fortunately it was so, as these cattle were kept in the Dominion to breed more, altho we like to see our American cousins on our market at all times.

Mr. Good, manager of the Union Stock Yards, has returned from an extended visit to all the leading American live stock centres in the United States, where he has been getting pointers and ideas that may assist him in the many improvements he intends to make on these yards this coming spring and summer.

Manager Good had many requests from horse dealers to arrange for buyers to come to purchase horses at the Union Stock Yards horse stables; this he has done, and buyers for the French army will be here on Friday and Saturday next at 9.30 a.m., and three days per week thereafter.
