SCHOONERS HAD A BODY FOUND

The Water Witch and Nicola Reached Port Together

THIS MORNING

Left Barbados on Same Day but Never Sighted Each Other Until Just Before Arriving Here.

Two Nova Scotia schooners, the Water Witch, in command of Captain Godfrey, and the Nicola, in command of Captain Zine, arrived in port this morning from Barbados, with molasses cargoes for the Crosby Molasses Company. Both vessels made the passage in sixteen days. The Water Witch brought as passengers twenty-four negroes and two whites; some of them are going to Ontario, and Sydney, N. S. The Water Witch called at St. Vincent for five passengers, and had fog for about four days, from lat. 30 until the vessel reached the Lecher light. The Nicola had a fine run and made port at the same time as the Water Witch. The best day's run made by the Water Witch was 202 miles. As both these vessels are clipper built and are now moored at Walker's wharf, discharging, they present a pretty sight. Both are painted white and are sleek looking craft. Both vessels left and arrived together, but on the whole voyage they never were in sight of each other. Inspector Lantulan and Dr. Ellis examined the passengers of the Water Witch and all were allowed to land. The Nicola has on board 296 puncheons, 22 barrels and 22 barrels of molasses, and the Water Witch 412 puncheons, 32 barrels and 96 barrels of molasses. The Nicola sails from Lunenburg, N. S., and the Water Witch, Liverpool, N. S.

A BODY FOUND IN THE HARBOR

A Badly Decomposed Corpse Picked up Today

IN LOWER COVE SLIP

Probably Wm. A. Goldsworthy Who Disappeared from Tug Lord Kitchener Some Weeks Ago--An Inquest Unlikely.

A body badly decomposed, was found in Lower Cove slip about 5:30 o'clock this morning by Wm. J. Turner, a fish dealer. Turner notified Patrolman James Ross and the two towed the body to the steps and notified Coroner Berryman by telephone, who ordered its removal to the morgue. From what can be ascertained at present the corpse is probably that of William A. Goldsworthy, a member of the crew of tug boat Lord Kitchener whose disappearance has been accounted for the past three weeks, Goldsworthy, who, it is said, was a Nova Scotian, was with four others, transferred from the government steamer Lansdowne to the Kitchener as the latter has been doing duty while the government vessel is being repaired. He was known to the Kitchener as "Billy Halifax," and his name appears on the pay sheet as such though he signed for his wages as W. A. Goldsworthy. The register of the Lansdowne also bears the same signature. From the condition of the body identification is difficult. Arthur Jefferson, boatman of the Lansdowne who was well acquainted with the missing man, after viewing the body, expressed the opinion that it was Goldsworthy. Coroner Berryman said that from present indications there would be no inquest. He also expressed the opinion that from the length of time Goldsworthy has been missing and the state of the body everything would point to the fact that the body would be buried tomorrow.

ONE HUNDRED LIVES LOST

AUTO PLUNGED 150 FEET AND STUCK IN TREE

Two Persons Killed and Two Hurt in Pittsburg Auto Accident Last Night.

PITTSBURG, Pa., July 22.—John J. Wallace, a well known business man of this city is dead with a broken neck, his wife is dying with internal injuries and a result of an accident to their motor which plunged over a 150 foot embankment on the road to Butler last night. About 5 miles out from this city the chauffeur stopped the car to inquire as to the direction to Butler. The car started without apparent cause and the chauffeur jumped up on a side step of the auto, but before he could get control, the machine with the entire party, plunged over the embankment and landed in a big tree. Wallace was dead when picked up. The Wallace was unconscious.

Two Steamers Collided Off California Coast With Awful Result

Hundreds of Persons Wounded During Course of Sunday Afternoon Riots at Palermo--Citizens and Police Clash.

SAN FRANCISCO, July 22.—News has just been received here that the steamer Columbia and the steamer San Pedro were in collision off Shelter Cove, Mendocino county, at midnight on Saturday night. The Columbia was sunk and one hundred lives were lost. PALERMO, July 22.—Hundreds of persons were wounded Sunday in a clash between the police and crowds that were demonstrating in behalf of Nunzio Nani, the former minister of public instruction, now under arrest for embezzlement. The rioters stoned the police who replied with volleys from their revolvers. Elaborate measures have been taken to secure order, which included the mounting of artillery in the streets and the concentration of battalions in the roadstead.

MORE EVIDENCE OF BUNGLING

A Pretty State of Affairs in Connection With New Wharf

WORK TO BE DONE OVER

Foundations of New Warehouse Must Be Moved to Make Way for Grain Conveyor--A Director Needed at Once.

The need of a director to take charge of the various works now under way on the west side, has become very apparent the past few days. It has been remedied in time to save doing a lot last week because of a misunderstanding about the foundation of the warehouse and it now transpires that sufficient allowance has not been made on the southern side of the wharf for a grain conveyor and as a result Mr. Clarke will have to tear up some benches and piling already put down and shift the foundation for the warehouse two feet to the north. If a competent director had been engaged on the work, these matters could have been remedied in time to save doing a lot of work over the second time. About 100 feet of the foundation for the warehouse has been completed according to the original plans and were it not for the changes that will have to be made, Mr. Clarke & Adams could commence the erection of the warehouse tomorrow morning. The commencement of these recent delays, for there were others at various times caused through the lack of proper supervision, was made last week. Mr. Clarke was over on the east side on business and when he returned he found his men knocked off. He inquired what the trouble was and received the reply that Mr. Duffy, the city inspector had told them to quit work as the foundation for the warehouse was too low. Mr. Duffy on being asked about the matter said he was acting on instructions from Engineer Peters. Subsequently a meeting of the west side improvement committee was held on the evening of that day. Mr. Clarke received word to go ahead, that the foundation would be made to do, as it was. However, one day had been lost and it was late on the following day before the hoisting could be put back at the work, so that two days' time was lost. It now seems, that only fifteen feet was allowed on the southern side of the wharf from the warehouse to the face of the wharf and it will be necessary to change the plans so that seventeen feet will be obtained in order to put the conveyor down. This will necessitate Mr. Clarke's tearing up a portion of the structure on which the railway tracks will run, to put in longer piling for continuing the warehouse two feet north. About 80 extra piles will be needed, and as this is extra work, it is not clear how much cost will be incurred, as although the west side committee met this morning and received a report from Engineer Peters on the matter, they refused to discuss any of the business done. It is also reported that there are several omissions from the specifications of the wharf, that will make a lot of trouble in the future if they are not remedied. It was stated that the northerly section of the Clarke wharf was too low for the C. P. R. to lay their tracks to it from Union street, but investigation this morning showed that there was no foundation for the report. Inspector Duffy said the wharf was the same height as the Sand Point wharves, and there would be no trouble for the C. P. R. to lay their tracks on a slight grade. There was also called by a west side citizen to the fact that the city is paying \$5 a day to the C. P. R. for a pile driver, supplying all the material and paying the men for doing work that they should be doing for the C. P. R. He expressed the opinion that the C. P. R. should do this work of restoring the tracks at its own expense. In connection with the dredging on the west side it is stated that a scow of mud was hung up for over an hour in the channel, one day last week, having grounded at low water. It is pointed out that a great deal of work is yet to be done before the channel is dredged sufficiently to allow the new wharf to be used this winter.

ANOTHER SPLIT IN IRISH PARTY

Sinn Fein Society is Preparing Active Opposition

FOR NATIONALISTS

Sir Thomas Esmonde, a Sinn Feiner, Makes Speech Denouncing Parliamentary Agitation for Ireland's Rights.

DUBLIN, July 22.—The Sinn Fein society evidently is preparing for a trial strength against the Irish Nationalist party in the pending miniature Irish general election. The resignation of Edward Blake, Irish Nationalist, for the South Division of Longford, make the fourth vacancy, and if the Nationalists challenge Sir Thomas Henry Grattan Esmonde to a contest in North Wexford, five seats will be vacated. Sir Thomas has declared himself flatly as a Sinn Feiner. At a big Sinn Fein demonstration held by his constituents at Ennisorthy today a letter from him was read denouncing parliamentary agitation as worthless, "since England would never give Home Rule or any other concession for the asking." "Ireland," the minister continued, "is no colony, she is a sovereign nation, and should give up begging with hated breath and whimpering humbleness in a foreign legislature for the restoration of her stolen liberties." Today of the executive committee of the Irish League at Manor-Hamilton, the centre of Charles J. Dolan's constituency. Mr. Dolan's action in joining the Sinn Fein Society was condemned and resolutions were adopted calling upon him to resign his seat in parliament.

SIR WILFRID AT THE CONFERENCE

What a Writer in the Ottawa Journal Has to Say of Laurier's Achievements in England.

OTTAWA, July 22.—(Special)—John S. Uvatt, K. C., a writer on imperial subjects, in reviewing the work of the Colonial Conference in the Evening Journal, concludes as follows: "Two points principally remain in one's mind as one reads from a perusal of the records of the 1907 conference. First of these is the facility with which all suggestions of imperial federation, all proposals for a commonwealth, all that are urged aside by the principle of colonial self-government. It is, as Sir Wilfrid says, a positive identification of view, show us if you can, how Canada can be a completely self-governing community and yet in some respects be under other control than her own. If you cannot, then tell us plainly whether you want Canada to be self-governing or not. "And a second point is the wonderful way that Sir Wilfrid keeps his eye on the ball, as the golf men say, and keeps control of his clubs. He is an extraordinarily expert player at that great game of politics. Mark his patience, exerting far more influence at the conference than all others, he remained silent in the wonderful way that Sir Wilfrid keeps his eye on the ball, as the golf men say, and keeps control of his clubs.
