MUTUAL INSURANCE COMPANY.

THIS COMPANY is prepared to receive applications for Insurance against FIRE upon Buildings and other Property at the Office of the Secretary, I. WOODWARD, St. John, Nov. 11, 1849.

UNION MUTUAL LIFE INSURANCE COMPANY of Boston.

No connection with Fire, Marine, or Health Insurance.

POLICIES issued in this Company on the Mutual Plan—the only plan, says Chamber's Edinburgh Journal, "which the Public at large are concerned to support." This Company's Charter offers peculiar facilities to the policy holder, as in the Stock or mixed Companies. The advantages offered by this Company are, Annual Dividends of 10 per cent. paid during the life of the policy in the order of rotation from the excess of a capital of property of £200,000.

Policies may issue for 1 year or 7 years, for life, or until they attain the ages of 40, 50 or 60, and for any sum from \$10 up to \$5000, and may range from 15 to 100 years.

Policies issued for 1 or 7 years enjoy many advantages of a permanent issue, at a very small expense.

Policies issued for life, can provide for those dependent upon them, by accumulating contingencies of trade, as to which this Company's Charter offers peculiar facilities.

See Section 40, and those who insure until they arrive at the age of 40, 50, or 60, make a sure provision for old age and independence, in case of death—the application of the policy is generally solicited to this, and this Company's ratio is favorable.

Policies may issue for life without profits at a reduction of 30 per cent. from the rate.
