

MORTON CAN DO MORE WORK NOW

Quebec Man Says Tanlac Has Put Him in Fine Shape and He Feels Like a Brand New Person.

"Tanlac has relieved me of a condition that has made me feel like a brand new man," said William Morton, a moulder employed by the St. Malo Foundry, Quebec, living at 402 Lavigne St.

"I had awful spells of dizziness, when everything turned black before me, and was so nervous it was next to impossible for me to sleep at night. I had to force myself to eat enough to keep going and it was alarming the way I fell off in weight. All my strength and energy just seemed to be slipping away from me and nothing in the world but beer will power enabled me to get through my work."

"But I began taking Tanlac and that was the best thing I ever did, for now I have a tremendous appetite and can eat anything I want and as much as I want and never suffer a particle from indigestion. I have gained eleven pounds in weight and feel so much better that there is simply no comparison. I just can't say enough in praise of Tanlac."

TORPID LIVER FOR OVER 4 MONTHS

The duty of the liver is to prepare and secrete bile and serve as a filter to the blood, cleansing it of all impurities and poisons.

When the liver becomes lazy, slow or torpid it is not working properly, and does not supply sufficient bile to thoroughly act on the bowels and carry off the waste products of the system, hence the bowels become clogged up, the bile gets into the blood, constipation sets in and liver troubles follow.

Milburn's Laxative Liver Pills quickly remove the secretions, clear away the waste and effete matter by acting directly on the liver, and making the bile pass through the bowels instead of allowing it to get into the blood, and causing so many troubles.

Milburn's Laxative Liver Pills are 25c a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
