ST. JOHN BILLS BEFORE THE LEGISLATURE

Premier Seeks Power to Borrow Crown Land Fund - Can Be Invested in Government Bonds

Fredericton, March 5.—The house met at 8:30 p. m. Hon. Mr. Wilson presented petitions of the municipality of city of St. John in favor of a bill to amend the municipalities act, also a petition in favor of a bill to provide for the taking of a plebiscite as to whether or not it was desirable to grant the franchise to married women in civic elections in St. John. Mr. Lockhart presented a petition in favor of a bill relating to the General Public Hospital at St. John. Mr. Cranston presented a petition in favor of a bill to provide for electric light in the St. John Municipal Home. Mr. Baxter presented a petition in favor of a bill to provide for balconies at the General Public Hospital. Mr. Tilley presented a petition in favor of a bill to amend the act relating to sewerage in the parish of Lancaster. Mr. Carson presented a petition in favor of a bill relating to the extension of the St. John Street Railway in the parish of Simonds. Mr. Pelletier gave notice of inquiry as to whether members of the government had acted as legal advisers for St. John & Quebec Railway Company. Mr. Baxter moved, with the unanimous consent of the house, for the suspension of the rules to allow introduction of a bill to amend the act for the government of the city of St. John by an elective commission. He explained that it was advisable to have the bill enacted so as to become law in time for approaching civic elections in St. John, and that there was nothing objectionable in the bill. To provide a sinking fund for the redemption debt, Premier Flemming introduced a bill in the local house yesterday, explaining that the province had already received \$255,017 derived from timber license renewals, while \$125,000 would be payable in August next. This the premier pointed out, was no ordinary revenue, but rather capital from provincial assets, and should therefore be used to discharge the public debt. The object of the bill under consideration was to provide that such bonuses and other monies derived from crown lands be used to purchase bonds such as are issued for any expenditure on permanent account.

Wiley, Jr., is twenty months old, and gratefully shares being the pride of the family with his younger and newly arrived brother. Dr. Wiley's father has reared him by the health rules he established for others and predicts that the exponent of pure food doctrines will be as vigorous physically as his older brother.

CHILDREN HATE OIL, CALOMEL AND PILLS

"California Syrup of Figs" Best For Tender Stomach, Liver, Bowels

Look back at your childhood days Remember the "dose" mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them. With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. Their tender little "insides" are the jewel by them. If your child's stomach, liver and bowels need cleansing, give only delicate "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given today saves a sick child tomorrow. Ask your druggist for a 50-cent bottle of "California Syrup of Figs" which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeits sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

DISHEARTENING EFFECT OF PILES

It is not only the itching and stinging of piles that is to be dreaded, but also the depressing and debilitating effect on the whole system. The victim of piles cannot do efficient work. There is an uneasiness and discomfort by day, and at night the distress from the itching prevents sleep and rest, and undermines the general health. From almost the first application of Dr. Chase's Ointment you get relief from the annoying itching and burning, and gradually the ulcers are healed up and the disease thoroughly cured. Do not make the mistake of discontinuing treatment as soon as relief is obtained. Dr. Chase's Ointment is a proven cure, but it depends on you to apply it persistently until a cure is effected. Even the most severe cases of long standing yield to the soothing, healing influence of Dr. Chase's Ointment. Surgical operations are no longer necessary, for, as a matter of fact, Dr. Chase's Ointment has cured cases that were not cured by operations. No suffering from piles can afford to delay the use of Dr. Chase's Ointment.

Good, president of the Dominion Grange and Farmers' Associations; J. W. M. Atkins, Dr. Adam Shortt, chairman of the Civil Service Commission. Several resolutions were passed at this afternoon's session calling on the dominion government to appoint a royal commission to investigate and make a report on the coal miners' strike on Vancouver Island; to prevent the manufacture, importation and sale of cigarettes in Canada; to establish free employment bureaus; to appoint a royal commission to investigate the unemployment problem; to enact a policy that will raise the Indians to a level of citizenship; to adopt a closer inspection of immigrants from southern Europe; to create a department of child welfare; to give pensions to mothers; to initiate an old pension scheme; and to assist the extension of co-operative societies. The congress went on record as being in favor of Women suffrage, labor unions, total abstinence and social survey work.
