Which are in one of our windows—Marked 45 Cents a Yard? They are 27 inches wide and are worth 75 cents a yard. They are the talk of the town because of their wonderful value and Foulard Silks being very fashionable makes this offering particularly attractive.

12 yards will make a dress costing \$5.16. That certainly is not a large expenditure for a silk dress that will wear well and have the appearance of being right up to the minute in style. 3 yards of this silk makes a waist costing \$1.29.

ST. JOHN ATHLETE WINS IN CALGARY

C. R. Merritt Capture Prizes in Calgary Sports and Nearly Equalled a Record

That St. John athlete can hold his own and even better abroad is instanced by the fine showing made by Cecil R. Merritt formerly of this city but now of Calgary, Alberta, in the Labor Day sports under the auspices of the Trades and Labor Council and Y. M. C. A., of that thriving city. Previous to going west a few years ago he was prominent in amateur athletics and did credit to the Algonquin Athletic Club of which he was a member, and then gave promise of a bright future on the track and in field events.

Not only did Mr. Merritt carry off a large share of the honors in the Calgary meet but previously had been successful in the Alberta championships which were held at Lethbridge, on Dominion Day, winning the 440 and capturing third place in the 220 and 100 dash.

At the Calgary Labor Day sports he was the runner up, coming within a few inches of the Alberta record and won the 220 and 440. He lost the 100 yards dash to E. McLean by three yards. The Morning Albertan, of Calgary in its account of the sports says: "The 100 yards went to E. McLean, while three yards behind him was C. R. Merritt. The time was very good considering that the conditions were not favorable in these events. C. R. Merritt added another to his list in the running broad jump. He covered 18 feet 9 inches which is only a trifle short of the Alberta record."

The following from the programme shows that Mr. Merritt also did well in other events in which he was entered. In all he carried off prizes to the value of \$28.50 made up as follows: Running broad jump, 1st, medal valued at \$7.50, 2nd, 1st valued at \$10; 440 yards, 1st, medal valued at \$15 and second place medal in the 100 yards dash, valued at \$7.

220 Yards—1, C. R. Merritt; 2, H. B. Murray, Time 23 1/2 seconds. 440 Yards—1, C. R. Merritt; 2, S. J. Phillips, Time 56 seconds.

In a letter to a friend in St. John, he says, referring to the events in the Alberta championships at Lethbridge, "These events I ran faster than ever did before and the track was poor. It must be the difference in the air out here as I can compete much better than I did not seem to but me as it did in St. John."

BRUNDAGE FUND NOW AMOUNTS TO \$230.99

Substantial Sum Raised at Exhibition Grounds for Mother of Harry Brundage

There has been a fairly generous response to the appeal for assistance made on behalf of the mother of young Harry Brundage, who was fatally shot and killed on the exhibition grounds, on Thursday, September 8. The fund now amounts to about \$230.99 which is made up as follows:

Collected by M. J. Keith, on the Pike \$111.00 Collected in boxes on exhibition grounds 92.74 Collected from Commercial travellers, 100.00 Total \$230.99

These amounts have been handed over to the law firm of MacEae, Sinclair & MacEae, who will turn the fund over to the family of Mrs. Joseph Brundage.

In addition to the cash donations listed there was a donation of two tons of coal from the Nova Scotia Steel and Coal Co., and several individual donations, made direct to the family.

BOWLING IN ST. JOHN

Black's Alleys Re-opened After Being Made Anew—League Play Next Month

With the coming of the fall, and cool weather the thoughts of many of the sporting fraternity turn towards bowling, and this is especially so this year, indications promising that a banner year in bowling in this city may be looked for.

Several of the alleys of the city are now in full swing, the latest to open being those of Messrs. Black, Main street, which have been greatly improved, and now appear better than ever. The alleys have been newly surfaced and their appearance is like polished glass.

The interior has been changed to be in keeping with the splendid appearance of the alleys, and the painter's brush has wrought many pleasing alterations in the coloring of the walls and ceiling. It is expected that about the early part of next month will see league play begin, and that there will be two leagues again this year, the Commercial, and the City league.

FEARED ACCIDENT WILL RESULT FATALLY

A shocking accident occurred in Stevens mill at Highfield, N. B., on Tuesday afternoon, when Melvin Parks was thrown on the big saw and his left arm was completely severed and his left leg and leg very badly cut. He was carried to his boarding place at T. E. A. Pearson's and made as comfortable as possible till the arrival of Dr. Hebrington and Dr. Fraser. The doctors hold out no hope for his recovery.

He is nineteen years old and is the oldest son of Wallace Parks, of St. Martins, and nephew of Mrs. Jas. Sprout of Highfield. The affair has cast a gloom over the neighborhood, where the young man is a general favorite. Mr. and Mrs. Parks arrived from St. Martins on Wednesday morning.

To Ponder Over

Sir—Someone has coined this phrase, possibly from his own experience: "Clients and patients generally have to suffer the costs, (as victims), for the professional blunders made by the physicians and all-round fakirs on their behalf."

Think this over seriously, whether this is correct or not. Yours, PAVING.
