A Customer's Reasonable Wish Is This Store's Pleasure

DYKEMAN'S

NOTWITHSTANDING the numerous sales going on around us, this business keeps on forging ahead. The reason that this store can compete with sale prices all the time, and keep increasing its business, (August business 1911, 50 per cent. increase over August, 1910), is that we buy at the lowest prices, taking all cash discounts; we buy from first hands eliminating the middle man's profit, and our goods are marked at a fair advance on the cost. We buy only stylish and serviceable goods.

W. J. BRYAN IN THE CITY TODAY

Will Never Again be Candidate for President of United States—Avoids Comment on Matters of Political Nature

Col. William Jennings Bryan, apostle of free silver and Democratic leader who has been the standard bearer for his party in two presidential campaigns, arrived in the city today from Fredericton. He spoke there last night in the interest of the Y. M. C. A., and went out at noon to Amherst where he will speak tonight. On the 19th he will speak here.

As to American politics Col. Bryan was very reticent but in reply to a direct question as to whether he would again be a candidate for nomination for the presidency he said emphatically that he would never again do so.

"I still take part in politics and expect to continue to do so," he replied, "but I do not expect to be a candidate. My interest was long before I ran for office, and will continue during my life. My candidacy was purely incidental. I cannot care to discuss the politics of my country outside of my country for two reasons, first because people outside do not understand the situation there, and therefore what I say would be little or no use to them. Second because when I am away from home I do not care to emphasize the political differences among our people. The differences are really small compared with the things about which they agree, and to discuss differences would give to the outside a false impression of our people."

The mentioning of Speaker Champ Clark and other prominent Democrats as presidential timber failed to move the noted Nebraskan in his purpose and he adroitly avoided the question. "We have quite a number of men whose names have been mentioned in connection with the presidential nomination," he said. "I think in my paper, The Commonwealth, I have given the names of fifteen or twenty prominent men from all sections of the country. We have abundance of material, the only question is as to who is the best available candidate and that question I am not willing to discuss even in my own country. It is a good while yet before nominations will be made and relative available material may be affected by what congress does at its next session."

Col. Bryan said that he had been twice previously in Canada, first in the west and again in Ontario, but this was his first trip to the maritime provinces. He said that he was much impressed with Fredericton and regretted that he had met with such inclement weather here. He was accompanied by the Y. M. C. A. for twenty-five years and spoke in the interests of that organization on many occasions in the United States. His tour includes Charlottetown tomorrow night, New Glasgow, Sydney, Truro, Halifax and Kentville. Col. Bryan said that he was in these provinces for two reasons, because he wanted to see the country and to help the Y. M. C. A. at the same time. Mrs. Bryan accompanies him.

SEPTEMBER WEDDINGS

Dr. Malcolm and Miss Finley Married This Morning—McGorman-Ramsey; Coupe-Campbell

A wedding of much social interest was solemnized in St. David's Church this morning at 6 o'clock by Rev. W. W. Malcolm, brother of the groom, assisted by Rev. David Lang, when Miss Jennie Scott Finley, second daughter of Mrs. Elsiebeth and the late Robert Finley, was united in marriage to Dr. Donald Campbell Malcolm, son of Andrew Malcolm and superintendent of the General Public Hospital here.

The ceremony was performed in the presence of only the relatives and intimate friends of the principals. The church was very tastefully decorated with ferns and potted plants. The bride wore a traveling tailor-made suit with hat to match. Her attendant was Miss Nan Coleman who acted as flower girl and who looked charming in a pink dress. She carried a basket of cut flowers. After the wedding the party drove to the Union Depot and Mr. and Mrs. Malcolm left on a honeymoon trip to Montreal, New York and Boston. On their return they will reside at 30 Coburg street.

Both the bride and groom have many friends in the city who will wish them much happiness. The groom is prominent in sporting circles, and besides being a member of this year's Marathon baseball team, has shown much ability on the gridiron, being one of the best half backs in the city. The bride is a graduate nurse from the General Public Hospital. The many presents received were evidence of the esteem in which both the bride and groom are held by a large circle of friends.

McGorman-Ramsey.
A very pretty wedding took place yesterday afternoon at the residence of Wm. MacGorman, 228 Charlotte street, when his son, William F. Jr., and Miss Mabel Ramsey were married in the presence of immediate relatives. The bride was given away by her brother, Edward A. Ramsey. She was attired in cream serge with white silk trimmings and carried a bouquet of white asters and carnations. The bridesmaid Miss Minnie Corbett wore mauve silk, chiffon over mauve silk. The groom was supported by Fred Oram, nephew of the bride. After the wedding a tempting supper was partaken of, after which the happy couple left for their home in north end with the hearty good wishes of all their friends.

Coupe-Campbell.
At St. Luke's church this morning there was solemnized the marriage of a popular young couple of this city. The bride Miss Emma Stephenson, is the daughter of Mr. Campbell and the groom George Fenton Coupe. The pastor, Rev. R. P. McKim, was the officiating minister. Mr. and Mrs. Coupe left by the steamer Prince Rupert for a honeymoon trip through different parts of Nova Scotia, and on their return they will reside in their own home No. 30 High street. The happy young couple received congratulations and numerous very pretty gifts from their relatives and friends.

Oak Hall Clothes For Men

Combine Good Cloth, Good Tailoring and Good Style With Absolutely Unmatchable Value.
THAT'S WHY THE OAK HALL CLOTHING BUSINESS IS THE GREATEST IN EASTERN CANADA.

The above statement carries an important suggestion to all men who need new clothes. Our great business has been built upon the solid foundation of satisfaction-giving.

We've been able to insure satisfactory service to all wearers of Oak Hall Clothes because we've put into every garment the most dependable fabrics and the best tailoring skill.

And because we use such good materials and exercise such particular care in their making, all Oak Hall garments retain their good looks as long as they're worn.

If you were to dissect any two Suits of the same price—one of ours and one of another's store—you would find that at every point our Suit would be vastly superior, you'd find the fabric in our Suit to be about 50 per cent. better than that in the other store's Suit, and there would be a similar difference in favor of our Suit in the linings, trimmings and tailoring.

The reason for this indisputable superiority is found in the fact that as manufacturers having no middleman's profits to pay, we are able to sell it directly to you at wholesale prices.

You can readily see, therefore, why our Oak Hall Suit at any price must be much better than any other store's Suit at the same price.

And there's another thing which makes buying at Oak Hall such an advantage—our immense and unrivalled assortments. You can choose from more styles, more fabrics, more patterns and more colors than any two other stores can show.
