

It was with pleasure that the Board was enabled to augment the pastor's salary by \$50, making it \$950. for the year, and with the expectation that during the coming year they may be able to carry out the recommendation of the Presbytery, by making it \$1000.

The Congregation and Board held one annual, eleven regular, and six special meetings during the year, apart from several joint meetings in reference to the proposed new church, and the transfer of the property from St. Paul's Church.

The Board of Management, on their own and the Congregation's behalf, desire to take this opportunity of placing on record their sincere thanks to St. Paul's Church members, not only for the annual grant that has been placed at their disposal for so many years, but also for the transfer to us of the whole property known as Victoria Chapel, land and buildings, for the nominal sum of ONE DOLLAR, to be used by Victoria Church as their future place of worship, under certain stipulations, agreeable to all parties concerned.

To Dr. Barclay and his Kirk-session we feel more than grateful for their deep interest in all that concerns us, and for their many kind and encouraging words from time to time, when we have met them, for counsel and advice.

The Board of Management consists of

SUNDAY-SCHOOL.—It is a true saying that the Sunday school is the nursery of the Church. It has been so in our experience, for we are now enjoying the fruit of years of patient labour among the young, in carefully training them for the higher duties of the Christian life and in helping to make them useful members of the Church.

The Mission School which opened on the 12th of August, 1866, with 12 scholars and 2 teachers, now numbers 286 scholars and 32 teachers, with an average attendance for the past year of 231 scholars and 26 teachers.

Our Missionary contributions were less than in the preceding year, amounting to \$123.38. Of this amount \$14.86 was handed to the Schedule Committee, for distribution among the Schemes of the Church.
