Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevedamountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Vinegan Brrthes?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Vinegan Birthes in healing the sick of every disease man is heir to. They are a gentle Pargative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

If men will enjoy good health, let them use Vinegan Brrthes as a medicine, and the will be a feet of the liver and contains a medicine, and the will be a feet of the liver as a medicine, and the will be a feet of the liver as a medicine, and the will she will be a feet of the liver as a medicine, and the will be significant to the more state of the liver as a medicine, and the will be significant to the system of the liver as a medicine, and the will be significant to the system of the liver as a medicine, and the will be significant to the system.
