Carreless.—By the careless and culpable firing of the cansons on Fort Howe on Saturday last several large panes of glass were entirely broken and others damaged in St. Peter's Hall, Portland. It appears strange that while residents of the vicinity were warned to raise their windows to avoid having them broken, no warning was given the care-takers of the Hall. The authorities should at least make good the loss sustained. Gloucester indicate that K. F. Burns Eq., will be a candidate for the representation of the County in the Dominion-Parliament.
