Up to a late hour this morning | ward bound, having, it is said, 25 tons the C. P. R. Company had no direct of dynamite aboard. There was a misconnection with San Francisco and San understanding as to the right-of-way. Jose, and telegrams for Los Angeles Capt. Albert Lindvog, of the schooner, expected that the steamer would pass on his stern. Second Officer Thomas P. Barron, of the Melville Dollar, thought the sailing vessel would put about on the port tack. As they drew together, however, he saw that the steersman of the schooner, evidently had no intention of tacking and ordered his helm "hard-a-port." Had it not been for this act the fisherman no doubt would have been cut in two, as she was directly in the path of the Dollar. As the bow of the steamer swung the schooner crashed into her side. The Daisy was badly damaged and was towed to Seattle.

SUPPLIES FOR ARCTIC. The schooner purchased by Captain Mikkelson for the purpose of proceeding to the Arctic regions on an explorng expedition has been launched from the ways and is now lying alongside the sealing company's wharf, undergoing the required refitting. The christening of the vessel as the Duchess of Bedford, the name selected on account of the assistance which the Duchess has from time to time given Captain Mikkelson, will take place, it is expected, in the course of about a week. The captain has made arrange-Dressed Fowl, per 1b. for the voyage at this port, and the necessary provisions will be put on board at once. The supplies are being purchased from Simon Leiser. The crew for the vessel are now being

THE MONTEAGLE.

The C. P. R. steamer Monteagle arrived at Hongkong on Sunday morning, en route from Liverpool to Vancouver. She left St. John, N. B., on January 20th, and called at Cardiff and Durban. The total distance she travelmentioned visitor was only here for led was nearly eighteen thousand five Lemons hundred miles, and this was accomplished without accident or any unnecessary delay.

MARINE NOTES.
