Band Stand to Be Erected in Market Square--Trap Shooting

Ladysmith, July 30.—After being shut down for about two months the Ladysmith foundry has once more resumed operations. The business was up for sale during the whole of the time it was closed, but no purchaser was forthcoming. It has now been reopened on a joint stock basis with some of the men who have always been asso clated with it as principal shareholders One of these is Mr. McIntyre, and it i understood he will take the position of general manager.

At presen all Canadian coins are minted in London, but after November they will be turned out at the Ottawa mint. Th profit, which is at present nearly half a million dollars, will then accrue to the Dominion government. Dr. Bonar the recently appointed deputy master of the Royal mint, will return to England shortly and will take up his residence in Ottawa this fall. The experts who will have actual charge of the coinage will be brought out from England, but the bulk of the employee will be Canadians.
