CORDIAL WELCOME TO HIGH COMMISSIONER

Has Unbounded Faith in the Future of the Dominion.

(Times Leased Wire.)

Vancouver, Aug. 31.-A memorable welcome was accorded Lord Strath-cona, the high commissioner of Cancona, the high commissioner of Canada, upon his arrival in Vancouver this
morning. On the platform were Mayor
Douglas and members of the council
and of the board of trade, the pipers

and of the board of trade, the pipers

can hardly be estimated. There were a

the united States, Great Britain and Germany, all of whom have
made a life study of wheat. The papers
were all of a practical character, and
the value of the meeting to the west
can hardly be estimated. There were a and of the board of trade, the pipers played and the high school cadets salurged with fixed bayonets as his lordship stepped from his private car. People lined the streets to watch the procession of the value of the meeting to the west can hardly be estimated. There were a large number of local grain men and agriculturists present, Hon. R. Roblin being an interested visitor.

Canadians were given a large part of affairs here. He had been anxious

of the Taft administration by Post- to advance the mining industry. master-General Hitchcock, who managed the Taft campaign and distributed

the federal patronage.

The resignation of McHarg is regarded as especially significant, because it was McHarg who announced some time go that Secretary of Commerce and Nagel would conduct a "house followed by the announcement that Secretary Ballinger would also do a little "house cleaning" in the interior

department. 'House cleaning' in both cases was well known to have meant that Nagel and Ballinger would get rid of all the men in their departments who had been connected with the Roosevelt administration. Neither cabinet officer got very far, however, because the big issue in coal land cases in Alaska, came up im mediately after Ballinger left Wash-

ington on his trip west. Taft, says those closest to him is a man who does only one thing at a time.

RIGHTS IN PARK.

Bowling Club Will Be Asked to Make Situation Clear.

At Monday's meeting of the City ouncil a letter was received from H. D. Helmcken, K.C., asking for information as to when complaints against e Bowling Club being given privileges at Beacon Hill Park had been eferred to the city barrister, and what was the reply of the latter, if any. The city clerk explained that the latter had been referred to the parks' board, but that no reply had been re-

ceived from that body. Ald. Henderson was of the opinion hat it was about time to settle the natter of the rights of the Bowling ub at Beacon Hill Park once for all. Ald. Turner said there was altogethtoo much talk over this small matbut to settle it he favored having Bowling Club formally make over

eve the public mind. This suggestion was agreed to. The teacher was telling of the effects BY SCIENTISTS

Papers of Interest to West Read Before British Association.

Winnipeg, Aug. 31.—Three sections of Speeches at Banquet Given to the British Association, chemistry, agriculture and botany, have combined their forces to discuss scientific problems of supreme importance to the wheat industry. It was a remarkable gathering, as seldom has there been such an assembly of wheat experts as Canada, the United States, Great Brit-

Taylor had the matter in hand it should be referred to him. This was finally agreed to, the mayor remarking that Mr. Taylor could be invited to attend the meeting of the streets committee on Friday evening and report on the matter. The city solicitor, on this matter, informed the mayor that he was of the oninion that

VICTORIA GUN CLUB HAD GOOD SEASON

the company to buy a block of land

The last shoot for the season held by splendid one. About 15 or 20 were long by 56 feet wide and will have a 3,000 blue rocks were used for the day

The Weiler cup handicap shoot, with distance handicap of 2 yards, for 40

GOOD ROADS.
