Tea grown at high altitudes on the mountain slopes of Ceylon, where the growth is slower and cultivation more careful than in the warm, humid climate of the valleys, are used in "Gai-Lan" tea. High-grown tea like "Gai-Lan" is not only of a finer quality, but contains more of the essential oil in the leaf than valley-grown tea. This is easily proved by comparing a glassing of "Gai-Lan" tea with any other.

THREE BABES LEFT IN STRANGE HOME; PARENTS HAVE FLED

The Police Seek Holmesburg Dentist and Wife--- Church Workers.

Three small children, left as castaways in a strange house were gathered up by the police of the Holmesburg sub-station yesterday and taken first to Tacony and afterward to the Philadelphia almshouse at Blockley.

Detectives are trying to unravel the mystery of the desertion of the little ones who were found in the three youngest children of Dr. Elton C. Goodfellow, dentist, who quite recently had an excellent practice in Holmesburg and at 158 East Allegheny avenue.

Goodfellow was for nearly eight years the organist at Emmanuel Episcopal Church, Holmesburg. His father, the Rev. J. A. Goodfellow, was for thirty-seven years rector of the church of the Good Shepherd, Kensington.

What the police are particularly anxious to ascertain is whether the children were first taken away by the father and then shunted off by the mother to place the burden of their care upon the grandparents who already have taken three of Dr. Goodfellow's children.

If the detective investigation confirms the suspicion, efforts will be made to apprehend Dr. Goodfellow and his wife, Mabel Goodfellow. Moreover, it is possible that Mrs. Goodfellow did not return because she had sought refuge in death. Just before she dropped out of sight she talked of suicide.

The three children now in the poorhouse are three years old, William T., 3 years old and Mabel, 2 years old. At Blockley yesterday a great throng of the police and nurses welcomed the tiny waifs.

ACTIVE IN CHURCH WORK.
Dr. Goodfellow is described as a capable and active church worker. He lived most of his married life in Holmesburg, where, for years, he and his wife were active in church activities. Dr. Goodfellow and Mrs. Goodfellow took a great fancy to theatricals, and she devoted a love for the stage. As this habit gripped the woman she soon reached the point where it took much more to attend the downtown shows, the trip by rail to the playhouses being rather a long one.

This worried the dentist, who took drugs to quiet his nerves. This proved worse than the theatre habit, and is thought by the police to be responsible for his downfall.

Six months ago Dr. Goodfellow left his home in Holmesburg, saying that he was going West. Even his parents do not know where he is now. He made no provision for his wife and six children before his departure.

In this dilemma the young man's father, the Rev. Mr. Goodfellow came to the relief of the stricken family. The rector could ill afford money but he did support the deserted wife and her children until near Christmas. Mrs. Goodfellow then talked of going to her mother, whose home is in St. Louis.

From his own purse the Rev. Mr. Goodfellow supplied his son's wife with money to pay her fare West and travelling expenses of the three children—the same children who were later taken to Blockley.

Two weeks ago the deserted wife in St. Louis wrote to her mother-in-law, the wife of the rector, saying that she was about to come back to Philadelphia. She was urged to remain in the West, but her love for Philadelphia proved too strong.

Mrs. Goodfellow, wife of the Rev. Mr. Goodfellow, was visiting in Connecticut last week when the dentist's wife arrived here with the three young children. The woman with her husband, went to Holmesburg and last night were taken in out of the cold by former neighbors, the family of Albert Kirk, residing at 3290 Welsh road.

In tears and great nervous excitement the mother of the little ones cried out to Mr. Kirk: "I have done everything I can for them, but everything has gone against me. I am so tired—so tired!"

STEPS OUT, DOESN'T RETURN.
Early the next evening, Saturday evening, Mrs. Goodfellow left the house saying that she was going to step into the drugstore for some medicine. She has not returned and since then nothing has been heard of her whereabouts.

Many of the close friends of the disconsolate woman believe she ended her life.

Presumably, her expenses back from the West were paid by her own people in St. Louis, a fact that seems to strengthen the presumption that she returned here purposely to leave the three small children in the hands of some one who would give them good care.

Before turning the children over to the police, as they did after five days, the Kirks communicated with the St. John's Aid Society at 1506 Arch street. That organization for some reason was suspicious and advised the Kirks to turn the children over to the police, as an investigation might be made.

MONTREAL, Mar. 15.—A contract for the construction of the Grand Trunk Pacific railway between Montreal and the Northern Commercial Tele- graph Company, a new concern, was awarded today to the city of Montreal, and which the latter agrees to construct a thousand miles of tele- graph line between the city and the main line will be between Wind- sor, Ont., and Lewis, Que.

Palpitation of the Heart.
One of the first danger signals that announce something wrong with the heart is the irregular beat or violent throb. Often there is only a fluttering sensation, or an "all gone" sinking feeling; or again, there may be most violent beating, with flushings of the skin and visible pulsations of the arteries. The person may experience a smothering sensation, gasp for breath and feel as though about to die. In such cases the action of Milburn's Heart and Nerve Pills in quieting the heart, restoring its normal beat and imparting tone to the nerve centres, is beyond all question, marvellous. They give such prompt relief that no one need suffer.

Mr. Sylvester Smith, Hampton, N.B., writes:—"I was troubled with palpitation of the heart and tried doctor's medicines, but they only gave me temporary relief. I read of your Heart and Nerve Pills and bought two bottles and before I had used them I was completely cured and would recommend them to all similarly affected."

INDIANS WIN FROM RIVALS

Capture Second in Series

PORTLANDS WEAK

Score in Basket Ball Match is 23 to 10—Rivalry is Keen

The Algonquins' basket ball quintette captured the second in the series of games with the Portland team last evening by the score of 23 to 10. The match was witnessed by a large number of fans and was fast and exciting. The rivalry between the teams was clearly shown, as the match became very rough at times.

The first half of the match was quite close, ending with the Algonquins in the lead by a score of 5 to 2. Howard, the star centre of the Indians, secured their only field throw of the match. Each of the quintettes were able to secure three penalty goals during the half.

The Algonquins had by far the better of the second half. Their shooting was a feature of the evening. The forwards and centre played an especially strong match, working some good combination. The Portland team seemed to be away off, as they could not connect with the baskets.

During the half the Algonquins secured eight field goals, while Smith for the Portland team secured their only field basket of the evening. Referee Murphy acted impartially. He allowed twenty-two fouls on the Algonquins and eighteen on the Portland team. Coram secured four field throws, Chase three and two.

The third in the series will be played on Thursday evening in the Y. M. C. hall. Both teams are expected to have a new game to their credit. On the first meeting the Portland team were victorious by a score of 14 to 8. In last evening's match the teams presented the following line-ups:

Portland. Forwards. Algonquins. Crosby Chase (Capt.) Smith Coram Centre. Borton Howard Defense. Thorpe Finley. Wilson Roberts

DORANDO AGAIN DEFEATS HAYES

MADISON SQUARE GARDEN, NEW YORK, N. Y., Mar. 15.—Before an immense and enthusiastic assembly of whom were his competitors, Dorando Pietri defeated John Hayes tonight in a race for the mile.

The race, the regulation distance, 26 miles, 385 yards, was run over a ten lap track in Madison Square Garden.

Both men were in excellent condition and Dorando proved himself the master of Hayes at long distance running.

From the start to the end of the race the Italian led the American boy being spurred on by the cheers and applause of his emotional commensurate.

In the 12th mile Dorando began a heart-breaking sprint, which Hayes was unable to follow, and before half a mile had been run the foreigner had gained a lap. Again in the 18th mile, after he had taken a breathing spell, the Italian again set a pace which was too much for Hayes, and gained another lap. Thenceforward to the finish Dorando merely jogged behind Hayes
