THE ST. JOHN CHRONICLE,

HEALTH OR SICKNESS!
CHOOSE BETWEEN THEM.

HOLLOWAY'S PILLS.

The blood furnishes the material of every bone, muscle, gland and fibre in the human frame. When pure, it secures health to every organ; if necessarily produces disease. HOLLOWAY'S PILLS operate directly upon the elements of the steam of life, neutralizing the principle of disease, and thus radically curing the malady, whether it originates in the brain, the heart, the lungs, the muscles, the skin, the bowels, or any other part of the system.

USED THROUGHOUT THE WORLD.

HOLLOWAY'S PILLS are equally efficacious in complaints common to the whole human race and in disorders peculiar to certain climates and localities.

ALARMING DISORDERS.

Hepatitis, and derangement of the liver, the source of misery and suffering, and the cause of innumerable deaths, yield to these curatives, in all cases, however aggravated, acting as a mild purgative, alterative, and tonic; they relieve the bowels, purify the fluids, and invigorate the system and the constitution at the same time.

GENERAL WEAKNESS—NERVOUS COM-

PLAINE.

When all stimulants fail, the removing and balancing properties of these Pills give firmness to the shaking nerves and enfeebled muscles of the victim of general debility.

DELICATE FEMALES.

All irregularities and ailments incident to the delicate and sensitive organs of the sex are removed or prevented by a few doses of these, and infallible allies. No mother who regards her own or her children's health should fail to have them within her reach.

SCIENTIFIC ENDORSEMENTS.

The London "Lancet," the London "Medical Review," and the most eminent of the faculty in Great Britain, France, and Germany, have eulogized the Pills and their inventors.

IMPORTANT TESTIMONIALS.

Recent Testimonials from a native Medical man in Bombay.

Agostino Lanza, Native Town, Bombay.

October 2nd, 1856.

Dear Sir,—I have great pleasure in informing you of the great good your excellent Cough Lozenges do in Pulmonary diseases.

I am a Medical Practitioner in Bombay, and am satisfied with their good effects, and would fain oblige by your sending me the wholesale price for a quantity.

I remain, Sir, Your's, respectfully,

COHEN & RUTTON KHARAL.

T. K. KESTING, Esq.

Recent Testimonials to the value of Kesting's Cough Lozenges.

I cannot express what I suffered—coughing extremitly, and the respiration impeded. Strange to say, I gradually recovered, without any treatment, except by taking a few boxes of Kesting's Cough Lozenges, which were so much affected that I had but little hope of recovery.
