FIVE ARRESTS LAST EVENING. Elmer Lester Prew on Suspicion of Stealing Tea and Coffee from T. H. Estabrooks.

PERSONALS. Mr. Max H. King, manager of the Maritime Clothing Company, of this city, left on yesterday afternoon's train for Montreal...

PERSONALS. Mr. J. Terry left for Montreal and Toronto last evening. Clifton House, all meals 60c.

Matters Before Common Council

Matter of Replacing Water Main Held Over for Word from Government.

At a meeting of the common council yesterday morning Commissioner Jones presented his report on this proposed renewal in the west side as follows: Within a very short time the Lock Joint Pipe Co., who have the contract for laying of a thirty-six inch main to Spruce Lake will have completed their labor and will then commence to dismantle their plant preliminary to removing it to other fields of activity.

Much yet, however, remains to be done before it will be possible to get the full benefits from the expenditure we have already incurred in this venture. As originally planned the new main was to be extended from the reservoir to Barnhill's corner. Instead, however, a twenty-four inch cast iron main was laid from Barnhill's corner to the Manchester farm. It is from this last named point the new thirty-six inch main is being laid to Spruce Lake, a distance of about four miles.

It will be necessary in order that the west side inhabitants may benefit to the fullest extent from the increased supply of water from the new main to lay another twenty-four inch pipe from Barnhill's corner eastwardly to the reservoir, a distance of about 3,700 feet, at an estimated cost of \$48,810. An additional cost of \$1,500 will be necessary to carry the new pipe from the reservoir to Champlain street, 1,500 feet, making a total expenditure of \$50,310.

It is suggested that the city engineer be authorized to investigate the possibility of the water supply from the new main being conveyed to the west side by means of a pipe laid from the reservoir to the west side, a distance of about 3,700 feet, at an estimated cost of \$48,810.

It is suggested that the city engineer be authorized to investigate the possibility of the water supply from the new main being conveyed to the west side by means of a pipe laid from the reservoir to the west side, a distance of about 3,700 feet, at an estimated cost of \$48,810.

On Suspicion of Serious Charge

Geo. V. Parker Charged With Receiving Stolen Property to Value of \$337.50.

A squad of city detectives and C. P. R. police made a raid on the barber shop of George V. Parker, Mill street, at four o'clock yesterday afternoon and placed him under arrest on a warrant charging him on suspicion of receiving stolen property knowing it to be stolen to the value of \$337.50, to wit: nine pieces of cloth, the property of E. R. Taylor, some time during last September, also on suspicion of receiving stolen goods knowing them to be stolen, the goods being the property of the C. P. R. in transit, namely 10 pairs of shoes to the value of \$37.50.

The arrests were made by Detective Biddecombe, Inspector W. J. Stephens, and C. P. R. Officer F. G. Costello. The C. P. R. officers have been investigating breaks that have occurred in this division and further developments may be anticipated.

Excitement On Prince Edward St.

William Thibideau Escaped from Policeman - Found Later Wearing Handcuffs.

William Thibideau furnished some excitement in Prince Edward street at about 3.30 yesterday afternoon, where he was placed under arrest by Policeman Orr. It is alleged that the officer placed Thibideau under arrest for drunkenness, and after placing one hand on his forehead, he passed by to hold his prisoner while he took Thibideau's companion, who was also intoxicated, into custody.

While the officer was engaged in this task his first arrest made a break for liberty and disappeared up the street. The roaming drunk was arrested about an hour later by sergeant Detective Power and Police Sergeant McEuse, in his room in a local hotel where he was found to be buxly engaged in filling off, the bright steel bracelet which adorned one wrist. The man's intentions were of the best, he had procured three files to do the job and would no doubt have succeeded had he been given a little more time.

There is no doubt that the magistrate will see his way clear to give him "a little more time," but as the police have recovered the handcuffs no doubt some other task than that of a filing clerk, will be assigned to his attentions.

In addition to being drunk, he is charged with resisting arrest, escaping, and also with the destruction of a pair of handcuffs.

It is suggested that the city engineer be authorized to investigate the possibility of the water supply from the new main being conveyed to the west side by means of a pipe laid from the reservoir to the west side, a distance of about 3,700 feet, at an estimated cost of \$48,810.

Accident Cases Are Numerous

Arthur Thorne and Roy Mayes Injured at Courtenay Bay - Other Cases Reported

The list of accident cases in the past few days have been quite numerous while yesterday brought still more to the hospital. Arthur Thorne, aged 30, a married man, suffered injuries to his left leg and also to an arm while working yesterday on the site of the McAvoy oil station at Courtenay Bay. It was feared that his leg was broken and an x-ray will be taken to ascertain the full extent of his injuries.

Frank Cobham, employed with the city water department, suffered a severe cut on the head and an injury to his chest in being thrown against a concrete mixer while the machine was being started by the accident plant yesterday morning. Mr. Cobham after having his wound dressed went to his home.

Roy Mayes, Queensdown, N. B., an employee of the Bedford Construction Company had his left hand cut at Courtenay Bay on Wednesday evening which necessitated an amputation of one finger at the hospital where he was removed.

The condition of Harry Chown, who was badly scalded while at work in the Power Company plant on Wednesday, is reported to be quite serious, but it is expected that he will recover. Hilton Henderson, Jacob Ducey and George Caplin, who were injured Tuesday are reported to be greatly improved.

Hospital Guards Search For Man

Joseph Frennett, An Inmate, Was Missed at 7.30 - Found Hiding Behind Door.

The guards at the Provincial Hospital were out last evening searching the neighborhood of the institution for Joseph Frennett, an inmate who was missed at 7.30 last evening. Their search proved fruitless and was extended outside of the institution grounds to a wider area, and the aid of the police was also solicited in an endeavor to locate the man, who was described as being of twenty-five years of age, wearing a blue suit but no hat; of dark complexion and brown eyes, and about one hundred and forty pounds in weight. The added information was given that the man, who is evidently of French extraction, was slow in speaking English.

Just as the city patrolmen were being detached, word was received that the missing man, the wardens at the Provincial hospital found the missing man hiding behind one of the hospital doors, and the man was called out.

Objective Has Been Attained

Announcement Made at High School Alumnae Meeting That \$3,000 Received.

That the sum of three thousand dollars, the objective set by the St. John High School Alumnae for its High School War Memorial Scholarship, had been attained, was announced at the annual meeting of the High School Alumnae which was held in the Natural History Society's rooms last evening.

The news was received with much satisfaction by the members present to whose unselfish efforts, the splendid enterprise and its successful realization was largely due. The scholarship was first conceived in 1919 as a means of perpetuating in a worthy manner the memory of the High School boys and girls who fell in the Great War. By the raising of \$3,000, it was planned to award a scholarship of \$150 each year, to some worthy student, to assist him, or her, during the first year of the college course. The award to be decided on by a committee appointed for that purpose, and this student to be allowed to choose whatever college he wished at which to continue his studies. It was announced last evening, that further contributions to the fund would continue to be received, so that if possible additional scholarships might be awarded.

At last night's meeting very satisfactory reports were received from the secretary, the treasurer, and the treasurer of the scholarship fund, reviewing the activities of the alumnae during the past year.

The election of officers for the coming year was then proceeded with and resulted as follows: Miss Grace Campbell, president; Miss Florence Estabrooks, 1st vice-president; Miss Alice Walker, 2nd vice-president; Miss Agnes Warner, secretary; Miss Marion Thompson, and Miss Greis Tentowsky assistant-secretaries; Miss Laura Miles, treasurer.

A lengthy report on the Scholarship Fund was read by the treasurer of the fund, Miss Grace Estey, who announced the \$3,000 objective had been reached. The largest individual subscription was announced by Miss Estey as follows: Miss Agnes Warner, \$150.00; Y. W. P. A. \$100; Frank Miller, \$100; the largest class subscription, were that of the class of 1907, which amounted to \$154.90, and that of the class of 1905, which amounted to \$140.15. The greatest number of subscriptions received, from any one class was that of '15 with 47 subscriptions received.

A total of \$1,000 was received in

Drafting Instruments For Night School Students. To do your best work, you need instruments that are not only of good quality, and nice finish, but instruments that are accurate—dependable; such as you'll find in our present fine showing which includes complete sets at \$6.65, \$10.40, \$15.75, \$17.40, \$20.00 and \$28.00. Also Drafting Boards, Compasses, T Squares, Triangles, Rules, Drafting Pencils, and other accessories which await your inspection in our DRAFTING INSTRUMENT SECTION—STREET FLOOR. W. H. THORNE & CO., LTD. Hardware Merchants. Store Hours: 8 a.m. to 6 p.m. Open Saturday till 10 p.m.

ENTERPRISE STOVES and RANGES are now on sale at Substantial Price Reductions. This announcement will be read with great interest by many who have needed a new Range or Heater, but who have been holding off till prices got lower. Those who have had their hearts set on owning an "Enterprise" can now do so—at the present low price an "Enterprise" is an excellent buy. EMERSON & FISHER, LTD. 25 GERMAIN STREET. STOVES OF ALL KINDS—FOR EVERY PURPOSE—TO BURN ANY FUEL.

Big Reductions on Cloth Dresses. Quite a number of very attractive Serge and Tricotine Dresses have been taken from our stock and reduced to very special prices for a quick selling. These are unusual values and are deserving of your inspection, which would prove to your advantage, as seeing these values gives you opportunity to effect a very considerable saving. There are many pretty and attractive styles from which to select and the materials will all be found to be of the best quality. Sale Prices \$13.50 to \$35.00. 65 to 75 King St. Macaulay Bros. Co. While in this district the Inspector General will inspect the Battalion Orderly Rooms, the Battalion Books and the Company Books. Officers in command of Companies will be present at the General.

LIBERAL CONSERVATIVE CONVENTION For Carleton-Victoria AT WOODSTOCK, Vogue Theatre, Thursday Evening, Oct. 20. To Be Addressed by HON. DR. BAXTER, Minister of Customs.

Court Upholds Way Down East. The management of Imperial Theatre, acting on behalf of the United Artists' Corporation of New York is allied with the firm productions of David Wark Griffiths, received official communication from the reporter of the Supreme Court at Fredericton yesterday notifying them that the screen version of "Way Down East," passed on to the higher authorities for final censoring, was now available to the exhibitors of New Brunswick without alteration.

Decision of Censors' Board Appealed and Picture Can Now be Shown in N. B. This settles a film matter of considerable importance, not only because of the extraordinary character of the picture itself, but because New Brunswick is only one of two censor areas in the world where it was questioned. The other province is Quebec, but late advice indicates a removal of the ban in that province also.

Imperial Theatre appealed to the Supreme Court for final judgment, having the concurrence of the Board of Censors in this action, as that body was about evenly divided in its opinion of certain brief scenes in the thirteen-reel production. Because of the magnitude of the Griffiths masterpiece it was felt by all parties that the Supreme Court test should be applied.

Miss Pauline Weldon left St. John yesterday for Montreal where she will sail on Saturday on the steamer Corsican for France. Miss Weldon was summoned overseas by the illness of her sister-in-law, Mrs. L. A. Oldfield, who has been for some years residing in the South of France.
