From Yesterday's Second Edition.

Mr. Day's Candidature.

Mr. Geo. W. Day requests us to contradict the report that his candidature is a joke. He is serious, and will certainly demand a poll.

Circuit Court.

The case of Johnston vs. Hamilton went to the jury this morning, who, after a short absence, returned a verdict for the Plaintiff, assessing damages at $25.

The Queen vs. Beverly Munro, for criminal assault, an indecent assault on Jane McCarthy, on New Year's night, then came on. The court room was crowded to witness the case. The prisoner came in looking pale and haggard, presenting quite a different appearance than when tried in the Police Station in Portland. He took a seat at the right of his counsel, S. R. Thomson, Esq. The following were selected jurymen, after some had been set aside for having expressed an opinion on the case:—C. S. McGregor, Charles Wilson, James Reynolds, Charles H. Hay, John Rankine, James D. Miller, Thomas McLeod, Thos. H. Adams, George Seely, Geo. H. Whitney, Henry Littlehale and Samuel Smith. The indictment was read, and the Attorney General opened the case for the Crown. He explained the nature of the offence, as set out in the indictment, and asked for the careful attention of the jury to the facts. The complainant, when called, could not be found, but, after a delay of about ten minutes, arrived and was sworn. She said that, on New Year's night, she left Mr. VanBuren's at the Suspension Bridge, at 8 o'clock, and came to the city, and, on her return, passed St. Luke's Church about 10 o'clock. She saw two policemen near the church. She turned into the Suspension Bridge road. When near Mr. Ruddick's she saw the prisoner a little behind her. The road from Ruddick's to the bridge is lonely, and is longer than from the church to Ruddick's. There are only two houses on the road. The prisoner came up behind her and remarked, "It is a fine night," at the same time throwing his arms round her. She tried to get away, but did not succeed. (Mr. Thomson here objected to the Attorney General asking questions of the witness, and the Judge thought that she had better relate the circumstances without questions.) She tried to get away, but he would not let me, at last she succeeded, when he caught her again. He then took out a knife and she asked him what he wanted. He told her she would find out when she again tried to get away. He offered to let me go if she would give him three kisses, but she would not kiss him. He then tried to throw her down, but did not succeed. She threw him twice in succession. The third time he succeeded, and acted indecently, trying to cut her clothing. He kept her down between three and five minutes, until she caught the knife and shut the open blade. She cut her hand a little, but did not feel it, and threw the knife away. She then walked along the road, he keeping hold of her, until they had passed Mr. Miller's house. She screeched when passing the house, but no one heard her. He then tried to drag her into the bushes, with his left arm around her neck. He let go and tried to pitch her backward. She asked him to let her go, when he pushed her on the ground, on her back, sat on her breast, and ill treated her. The clothes she had worn were produced in court, but Mr. Thomson objected to their being shown, unless they were in the same state as when the assault happened. They had been washed after she had taken them off. The objection was noted, but the judge allowed the clothes, in which several rents had been made, to be shown to the jury. The witness continued. He forced a round stick into her mouth, and then put his hand in his pocket. She got the stick out of her mouth, and he produced something from his pocket that smelt like chloroform, but did not get it down her throat. He put his neck-tie round her throat and tried to choke her, and exposed his person. He kept her down for some time, it seemed a very long time and treated her very roughly. The witness described the clothes of her assailant. Her reason for looking at his clothes so particularly was to identify him. She had seen him before, but did not know his name. The evidence of this witness was not finished when the court adjourned at 1.15 o'clock.

Dr. J. Walker's California Vinegar Bitters are a purely vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
