Guelph! Guelph! Where have we heard of that burg before.

* * *

No loser on earth ever looked worse than the Red Sox yesterday.

* * *

Yesterday, Friday, was the anniversary of the last victory of the Brantford Ball Club. We will cheer twice when the next one occurs.

* * *

Good boy Doc. Wiley! Brantford bowlers will rejoice in the Pastime victory at London for the McNee trophy.

* * *

Another little far haired boy Crothers by name, some pitcher, some speed, goes back to the parental roof after yesterday. How many this year?

* * *

It is developing into more than a rumor that Amby Kane will be managing Hamilton next year. Whate'er betides Brantford, the writer wishes Kane a barrell of luck and then some.

* * *

One Guelph player yelled to the grand stand yesterday, "We are getting $125 per month and not $60 per." Funny how these fellows can come back at the crowd like that.

* * *

There are some fans in Brantford to whom if you happen to mention baseball, you are liable to get a Pelkey punch over the ear. This grouch won't wear off until next year about May 15.

* * *

Magistrate Livingston, who is certainly a loyal ball fan, remarked yesterday in the stand that if he gave decisions the same as Jacobson did, he wouldn't hold his magisterial job a week. We have to commend the P.M. for an apt remark.

* * *

Congratulations to J. A. Ogilvie, the Brantford bowler, also Sid Armitage of Paris. They were both on the rink which was up more times than any other rink on the British tour. We will be glad to see them wearing John Ross Robertson gold medals.

* * *

Ball player (at the railway depot, in Nantucket)—I am going to Brantford, Canada, Sir, what is the fare?

Ticket Agent—"Single or return?"

Ball player— "Single."

Ticket Agent— "Better buy a return right off my lad, it is a long walk home."

* * *

When Nelson didn't get a hit yesterday on a hard hit ball near third, which Behan juggled for one eighth of a second, it is drawing the point pretty fine, espeically when Slemin went through the game errorless on one that got through him. The scorer should use his own judgment and not be influenced by corner-lot scribes around him.

* * *

Anyone who think the Brantford Manager is not earning his salary, is mistaken. Any time a manager essays to run a tail end proposition, he is earning five times what he gets.

Please correct us if we are wrong, but here is the Return Ticket Honor Roll for the Brantford Baseball club for the season of 1913:

SHEA, s.s.; ENGLISH, c; McCARTY, c.; CHAMDELAINE, c.; O'REILLY, p.; TESCH, s. s.; McAULEY, s.s.; SPILLANE, 3b.; ORCUTT, 3b.; CASSAVANT, s.s.; KILLIER, p.; BRUNDAGE, r.f; McGILL, outfield; COLLINS, p.; WYNNE, p; DONOVAN, p.; BURRILL, outfield; SHARP, p; KINSELL, outfield; CROTHERS, p.

If there are any whom we have inconsiderately overlooked, please inform us. Mr. President, fire the Scout.

Walloping Notes.

Guelph filled the bases with two out in the first, but Carruthers made Fryer hit to short for the third out.

Wagner went from first to third on Keenan's bunt in the first inning. He scored on Iver's hit. Powell flied to centre. Kane grounded out.

Behan opened Guelph's second with a two-bagger. Dunn was out, pitcher to first., Fitzpatrick singled, scoring Behan. Harris singled to right. Then Cook singled to centre. All the hits were lively bingles. Fitzpatrick scored on Wright's scratch. A fast double play, Keenan to Wagner to Ivers got Carruthers out of another bad hole .

When Slemin fanned in the second, Nelson singled nicely to right. Coose walked. Carruthers flied to Cook. It was up to Wagner. Wiltse made a nice play on a grounder, touching third and forcing Nelson.

Wiltse and Behan both hit to left in Guelph's third. Waltse scorng. Behan got to thrd on a passed ball, and scored on Dunn's sacrfice fly. Fitzpatrick flied out to Powell.

Something unique happened in Brantford's third. A pitched ball struck the small end of Keenan's bat, bounced to the pitcher before Kenan knew what happened. He was thrown out before he moved from the plate.

Two bunts and a hit filled the bases for Guelph in the fourth with no one out. Shafer's single scored two, when Kane applied the derrick. It looked like locking the barn door when the horse got out. Wiltse was out, but Wright and Shafer advanced to third and scored. Wright scored on Fryer's single to centre. Thne Behan singled to right, scoring another. Fryer was thrown out at the plate. The agony was ended by Fitz striking out. Four runs.

Guelph added one more in the seventh when Slemin let Dunn's hit get pa tsfor two bases. Dunn scored from third on a sacrifice fly to Powell.

Brantford filled the bases in the seventh, with two out, but there was no clout fotrhcoming.

The deserving poor are usually those who don't deserve to be.

CLUBS STRIVE TO GIVE GOOD BALL

1913 Season Has Seen More Players Sent Adrift Than During Any Other Year.

The present season of the Canadian League has seen more players sent adrift by the eight clubs than in any year in the league's history, and shows great determination to keep the quality of baseball to a high standard by the eight managers. Right now the eight clubs present more evenly balanced teams than at any time in the history of the fastest class "C" League in organized ball.

Yesterday Brantford let four players go who failed to measure up to the other seven clubs, and a reversal of form is expected in Brantford through the recent shake-up.

Players, who formerly played in faster pastures, are finding it hard to keep up with the pace and are gradually being dropped.

Among the many switches of players now in the league are: Fox, of London and Ottawa, with Peterboro; Harris, with Guelph, from Ottawa. Lill, with Brantford, formerly with Ottawa; Powell, with Brantford, formerly with London: Gilhooly now with Hamilton, formerly with London; Fitzpatrick, with London formerly, now with Guelph; Barton, of Hamilton, now with St. Thomas; Powers, with St. Thomas, now with Ottawa. This is only a result of recent operations in trades and releases

Returns on Top

London, who has been on the road all this week, will return in first place as the result of defeating the Ottawas yesterday, sending them into third place, and a lose to-day will still keep them up on top of the race.

COCKNEYS DROVE KUBAT FROM BOX

Ottawa Was Defeated by London by a Score of 4-3.

OTTAWA, July 25—London won the second game of the series here today by defeating the Senators by the score of 4 to 3. London scored three runs in the second innings, but Ottawa evened it up in the fourth by bringing three men across the plate. In the fifth innigs with a man on third Myers bunted and Kane, the pitcher made a wild throw to the plate which resulted in the winning run being scored.

ST. THOMAS BEAT HAMILTON

An Error in the Sixth Gave the Saints the Victory.

HAMILTON, July 25 —Killilea's error in the sixth on a hard hit ball gave the Saints the second game of the series here yesterday by a 2 to 1 score. Hamilton was leading by one run when St. Thomas scored their two. Up to this stage of the game it looked as if Hamilton would win. The game all through was one of the finest seen on the local grounds. Donohue who has not been playing for some days because he was suspended for the part he took in the fight with Umpire Daly, at Ottawa, and because of a sore arm, was on the firing line for the locals and pitched an excellent game. Clements who started in yesterday's game for St. Thomas, did the twirling again and held the Tigers down all the time, being at no time in danger.

BERLIN TRIMMED PETERBORO

PETERBORO, July 26 — Erratic work on the part of the Petes in the field in the fourth innings yesterday was largely responsible for Berlin's seven runs, which gave the visitors a lead that, despite the local's attack in the fifth and sixth could not be overcome. Fred Bradshaw started for Berlin, and gave four passes in the second, and also had a wild pitch, but the best the Petes could do was a sacrifice hit and a sacrifice fly, and the result was but one run. Auld relieved with two on and none out in the sixth, and after this frame held the locals back. Biddy Burns had a grand catch, and Brant cut down the hits by brilliant fielding.

LOCAL BALL CLUB STILL IN CLUTCHES OF TERRIFIC STORM

Struck by a 10-1 Thunderbolt Yesterday Afternoon—Weather Authorities State, However, That the Depression Over Red Sox Lake District is Moving South, and Fans May Look for a Big Change This Afternoon.

Guelph had a comparatively easy time of it yesterday afternoon when they made it four straights by winning from the Red Sox 10 to 1.

The downfall yesterday was due to the poor showing made by Pitcher Crothers, who was being given a try out for a position on the team. He lasted three and a half innings, and was hit for 12 hits and 6 runs.

He was in trouble right from the start, and his offerings were hit to all corners of the lot. He had nothing but a uniform and a mitt. It seems a shame that President Nelson has had such excuses for pitchers thrust upon him this season. Whoever tipped the last three should be prosecuted. Crothers was in trouble right from the start, and a double play in the first innings saved his bacon.

The Guelph artillery got after him for fair in the second and third innings, scoring 2 runs in each. In the fourth they scored 2 more off him, and had the bases full when he was replaced by Clermont. Clermont held the visitors to 4 runs and five hits, and after the fourth innings, held the Maple Leafs in good style.

The Sox, as usual, did not hit, and Clermont's energy went for naught. Fitzpatrick, whom Manager Cook selected to do his pitching, had a comparatively easy time with the Brants. After the first innings, when the home team secured one run, he had things pretty nearly all his own way. He was in a couple of dangerous spots, but excellent fielding behind him by his team mates pulled him out of the tight pinches.

The Sox seem to be going from bad to worse, and the sooner the management secures a couple of scouts who know ball players when they see them, the better.

The Brants have lost five games this week, and Manager Cook of the Maple Leafs may be depended upon to make a desperate attempt to make a clean sheet for this week.

It is up to the locals to ginger up and get the tail-end game of the series.

Guelph.
