

GLORIOUS OCCASION

Fourth of July Celebration Most Brilliant in History of Dawson

MAN INTERFERED WITH PROGRAM

But not Until Many Events had Taken Place.

ONLY ONE SLIGHT ACCIDENT

Streets Were Crowded all Day and Night. List of Events and Prize Winners.

From Friday's Daily. Another mile post in the life of the United States of America was passed yesterday and today marks the beginning of a new year in the age of the youngest nation of the earth's family. Young to years but centuries old in progress and enlightenment than any of the nations of the world who were heavy loaded grandfathers before the new world had cast aside its swaddling clothes.

The day was fittingly observed in this city. Englishmen, Canadians and other nationalities joining with the Americans in making the celebration the most successful Dawson has yet witnessed and the day was long to be remembered. Until 4 o'clock more perfect weather could not have been had, but the last two hours of the afternoon were soiled by a steady down-pour of rain. The morning broke bright and sunny with the balmy heat of a summer day. At 1 o'clock clouds were seen gathering in the southeast and at half past seven's teardrops descended in such plentiful profusion that the sports were terminated during the pole vaulting contest and everyone sought shelter in doorways and beneath awnings.

During the day and even throughout the night before the city was thronged with people, many coming in from the creeks to enjoy the celebration and lay aside for the day their picks, pans and shovels. Young America was much in evidence and in the exuberance of his spirits did not fail to let it be known that the day of all others was his and his alone. The pleasant weather brought out hundreds of ladies, many gowned in the sheer fabrics so dear to the feminine heart in midsummer and the grandstand presented a veritable kaleidoscope of harmonious colors. The day was singularly free from accidents, none occurring save during one of the horse races when Chief Stewart's "Puzzler" ridden by Bert Collier bolted into the crowd. The vast crowd was orderly, too, and the absence of any street brawls or drunken disturbances is but another evidence of Dawson's rapid approach to and certain assimilation of the effete ways of the East.

A great deal of the success of the day was due to the untiring efforts of Chairman E. B. Condon and Secretary J. Newton Story, who for several days previous laid aside their business affairs and gave their undivided attention to securing such success.

A squad of police under charge of Sergeant Eyrich did effective work in keeping the crowd off the track and thus preventing any accidents.

In the horse races T. A. McGowan, H. G. Wilson and E. S. Orr acted as judges and E. A. Mizer officiated as starter. In the track events E. F. Holsford was referee and Joe Hoyle starter. George Noble announced the result of each event when concluded. No records were broken, either national or local, as the track was very heavy and in no condition whatever for fast time.

On account of the length of the program arranged, no parade was given. The ball team in their bright new uniforms headed by the Dawson military band formed on First avenue and Third street at 10:30 and marched to the barrens diamond where the great American game of baseball was indulged in between the Gandolfo and Zaccarelli teams. The score was 16 to 5 in favor of the former. A detailed account of the game is given elsewhere in this issue. It was the intention of the committee to have a game between the Dawson and Eagle City clubs, but the latter of any sort to arrive from down stream made such an undertaking impossible. The afternoon sports were begun at 4 o'clock. Herewith is given the list and also the winners:

SLOW BALL WAS PLAYED

Gandolfo Team Has Easy Walk Over Zaccarelli.

A large crowd gathered at the barrens grounds yesterday morning to see the ball game between the Gandolfo and Zaccarelli teams. Everyone thought, judging by the good game played last Saturday that the game would be a close one with good, careful playing by both sides. The expectations of the spectators were not realized as the game throughout was altogether too one-sided to be considered a good exhibition.

which was caught by Morrison. McStay got his base on balls and stole second, but the inning ended without a score being made as McAuliffe struck out.

The Gandolfos in the last of the third scored four runs by Doyle, Chadwick, Morrison and Traube.

In the fourth and fifth the Zaccarellis failed to score while the Gandolfos made four in the fourth and two in the sixth, making the score at the end of the fifth 13 to 1 in favor of the Gandolfos.

By hard work in the next three innings the Zaccarelli team made four runs and the Gandolfos made three, making the score at the end of the game 16 to 5 in favor of the Gandolfo team.

The line up of the team was as follows:

Gandolfo—Briggs, p.; Long, c. f.; Doyle, s. s.; Chadwick, 1b.; Hill, 2b.; Morrison, 3b.; Brown, 1. f.; Traube, r. f.; McFate, c.; O'Brien, sub.; Kielesworth, sub.

Zaccarelli—Russell, c. f.; Smith, s. s.; McStay, c.; McAuliffe, 1b.; Nelson, 2b.; Turner, 3b.; Lahie, 1. f.; Fee, r. f.; Foss, p.; Frew, p.; Laminan, sub.

A Clever Decoration.

The first prize for decoration was awarded to the Dawson Hardware Co. Their new store front was handsomely decorated in an original design with red white and blue bunting on top of which a silhouette model of a full rigged ship in white with tured sails was erected. The decoration was without exception the most clever piece of work ever put up in Dawson. It was constructed and designed by James Townsend of the Savoy theater.

At Savoy Tonight.

The tug of war will be pulled off tonight. All those who held tickets yesterday for the show were given back their tickets as the contest ended in a draw between the two anchor men. The interest in the event has not abated, however, as the different partisans of the two teams are putting up money on the result in big bunches. The house has been rearranged to accommodate a large crowd.

Horsehoes.

Horsehoes are of uncertain date and have caused some discussion among military historians. Nailed shoes were not known by the Greeks, for Xenophon gives minute instructions for hardening the hoof. Nor did the Romans use them. Nero had mules shod with a plate of silver fastened by crossed thongs to the hoof. With Poppea, his later wife, it is said these plates were of gold. The earliest positive evidence of nailed shoes is furnished by the skeleton of a horse found in the tomb of Childeric I (458-81) at Tournay in 1653.

Married Yesterday.

Mr. John C. Dougherty, the well-known restaurateur, and Miss Viola Shockness, better known by her stage name, Frankie Evans, were united in wedlock yesterday morning at the home of the officiating minister, Rev. Naylor. Mr. Dick McAndrews and Miss Florence La Mar were the attendants.
