

# CHICAGO MARKET.

MARKET GREW STRONGER AFTER WEAKER OPENINGS — THE HESSIAN FLY IN ILLINOIS — ONLY ONE SIDE TO THE MARKET.

Chicago, Nov. 15.

Wheat openings at Liverpool were all  $\frac{1}{2}$  higher at 5-8 $\frac{1}{2}$ , 5-9 $\frac{1}{2}$ , 5-10 $\frac{1}{2}$ , but wheat grew weak and its later cable quotation was  $\frac{1}{2}$  lower and no signs of reaction.

The strong Liverpool openings found no following on this side. Wheat at New York  $\frac{1}{2}$ ,  $\frac{3}{4}$ ,  $\frac{1}{2}$  lower at 71 $\frac{1}{2}$ , 75 $\frac{1}{2}$ , 75 $\frac{1}{2}$  for December, March and May wheat.

Chicago openings for December wheat  $\frac{1}{2}$  lower at 66 $\frac{1}{2}$ , and for May  $\frac{1}{2}$  lower at 70 $\frac{1}{2}$ , while in corn and oats there was no change. On buying for short interests in the early market there was an advance of from  $\frac{1}{4}$  to  $\frac{1}{2}$  in wheat.

In Provisions there was very little doing. They opened the most of them at the same price, though December Pork showed 3 cts advance and May Pork 2 cts decline. May Lard 3 cts decline, December Ribs 3 cts decline.

Receipts today were Hogs, 35,000, cattle, 11,000; sheep, 11,000, hog openings slow 5c lower.

N. W. cars, 681 as against 778 last week, and 1,039 last year.

Car lots wheat 53, shipments, 5,000.

Car lots corn 213, shipments 229,386,

Car lots oats 103, shipments 7,955.

Last week receipts 993,291, shipments, 502,466.

Last year receipts 1,696,102, shipments, 1,182.

Four ports 501,629, shipments 417,220.

Shipments to Europe above European requirements, and these brought from the southern hemisphere were a strong bearish factor. Repeated complaints from Illinois are heard about the Hessian fly's destruction of the wheat plant. This insect, which caused great damage last year, may do the same injury later in the season, but a present is not causing much apprehension.
