LIFE ASSOCIATION OF SCOTLAND. FOUNDED 1838.

THIS ASSOCIATION is one of the most extensive and successful Assurance Institutions in the Kingdom. Although it does not assure Invalid Lives, the business during the last five years alone has been as follows:—

New Assurances proposed during Five Years	6530,—for £2,023,907 8s.
New Assurances accepted, 5372,	for £2,466,446 "
Yearly Average of Assurances proposed	1306,—for £604,761 "
Yearly Average of Assurances accepted	1074,—for £493,289 "

The Policy Holders incur none of the risks of Partnership, and the sums Assured are Guaranteed.

The ANNUAL INCOME is now upwards of £125,000 Stg.; and the ample and rapidly increasing FUNDS are invested almost wholly on first-class Securities over Land. The Association does not make advances on Personal Security, with or without Assurance Policies; nor does it ever purchase or hold the Shares of other Public Companies, and so become responsible for other liabilities beyond its own legitimate business.

A Share of the Profit is allocated annually to every Policy Holder of five years' standing or upwards, and is handed to him in money at the payment of his Premium, which is thereby greatly reduced. The Policy Holders of the first series have thus been required for many years to pay only the following Premiums for their Policies:—

Age	£100 Stg.	£300 Stg.	£500 Stg.	£1000 Stg.	£2000 Stg.
25	£1 8 6	£4 5 6	£7 2 6	£14 4 11	£28 9 10

50	3 17 0	8 12 7	14 7 8	28 15 3	57 10 6
55	3 9 11	10 9 9	17 9 5	34 18 9	69 17 6

&c.	&c.	&c.	&c.	&c.	&c.

Until they participate in the profits, the Policy Holders of £1000 sterling or upwards need pay only one-half of the usual annual premiums, the other half being allowed to remain in their hands (at interest) as long as they please.
