

accommodation, was, during the last summer, added to the Russell House. The rooms in the new wing have been sumptuously furnished, and contain, in addition, every comfort and convenience that modern taste or improvement could demand.

### **Caledonia Springs near Ottawa.**

The branch of the Russell House now under construction at the above popular place of summer resort, will be ready for the reception of visitors in the month of June next. Due notice of the day will be given in the newspapers. Special arrangements will be made with the Ottawa River Navigation Company and the new Caledonia Springs Railway, when constructed, for the conveyance of tourists to and from the Springs.
